FRUITS OF CONTEMPLATION

by VICTORINO OSENDE, O.P.

This is not a book written only for priests and religious. It is addressed to all Christians of sincere heart who desire to grow in holiness. Written in a straightforward and vigorous style, it presents the profound truths of the spiritual life in such a manner that they can be understood by all.

'We highly recommend this masterpiece on the spiritual life to all who are anxious for a more perfect life and are looking for a sure guide.' *Dominicana*

'It is inconceivable that any person interested in sanctity could read this book and not be moved by the great spiritual wisdom of the man, the pure passionate beauty of his doctrine. This surely deserves recognition as a modern masterpiece.' *Ave Maria* 385.

MARY THE MOTHER OF JESUS

by FRANZ M. WILLAM

Every incident in the life of our Blessed Mother recorded in the Bible is here presented against the background of the social, religious, and family customs of the time. This volume not only satisfies the needs of devotional reading but has much to offer the scriptural scholar.

'... a book so full of local colour and archaeological learning that one might call it an encyclopedia of Our Lady.' *The Month*

'Mary's was all a hidden life—hidden with Christ in God, we shall never know its mystery. Dr Willam has told us all that it is possible for us to know, and told it well. It provides abundant material for the preacher and for spiritual reading.'
