Courtney Brown

BALLOTS OF TUMULT

A Portrait of Volatility
in American Voting

Ballots of Tumult examines the dynamics of explosive and large-scale electoral change in the United States throughout the twentieth century. Brown uses sophisticated new analytic techniques to analyze electoral and census data. The result is a challenge to the conventional wisdom about the stability of American politics and new insights into their surprising volatility.

"*Ballots of Tumult* is a healthy shift, a return to the study of 'real politics,' the study of winners and losers in the struggle for electoral power." —Michael S. Lewis-Beck, University of Iowa

"... an extremely original piece of research."
—Alan Abramowitz, Emory University

"... a book all students of American Politics should read . . .
—John Sprague, Washington University

"This seminal work is must reading for anyone interested in women and politics. It casts doubts on long held assumptions about women's voting patterns and has fascinating implications for the study of the new gender gap that has occurred in recent years."
—Karen O'Connor, President, Women's Caucus for Political Science, 1990-91

POLITICAL SCIENCE

NEW FROM CALIFORNIA

America at Century's End

Edited by **ALAN WOLFE**

"The authors of this collection of first-rate essays cast a cold and critical eye on the present state of American society, and provide multiple clues to the origins and causes of our current predicaments."

—Lewis Coser

\$29.95 cloth, 567 pages, *A Centennial Book*

Women of the Klan

Racism and Gender in the 1920s

KATHLEEN M. BLEE

"Probably no future history of the Ku Klux Klan will be written without reference to this groundbreaking work."—*Publishers Weekly*

"A remarkable, nuanced, and deeply disturbing book."

—Sara M. Evans, author of *Born for Liberty*

\$24.95 cloth, 236 pages, illustrated

A Centennial Book

Woodrow Wilson

A Life for World Peace

J. W. SCHULTE NORDHOLT

Schulte Nordholt writes with deep understanding and empathy about America's 28th president. His Woodrow Wilson embodies the French proverb that great qualities and defects are inseparably joined.

\$34.95 cloth, 575 pages, illustrated

In the Name of Democracy

U. S. Policy Toward Latin America in the Reagan Years

THOMAS CAROTHERS

"A well written and significant book . . . [with] much material in it that is not available anywhere else."—Paul E. Sigmund, Princeton University

\$29.95 cloth, 350 pages, illustrated

Authoritarian Socialism in America

Edward Bellamy and the Nationalist Movement

With a new preface

ARTHUR LIPOW

New in paper—"This is an important book, vital to our understanding of the development of socialism in America."

—*Journal of American Studies*

"Lipow brilliantly distinguishes the socialism one wants from that one resists."—*New Statesman*

\$13.95 paper, 332 pages

UNIVERSITY OF CALIFORNIA PRESS
BERKELEY LOS ANGELES NEW YORK OXFORD

LONE STAR RISING

Lyndon Johnson and His Times 1908-1960

ROBERT DALLEK

"The one we have all been waiting for.

Fair-minded and perceptive, it leaves no doubt of why so many disliked Lyndon Johnson but it also makes abundantly clear what an enormous impact he had, for good as well as ill, on our country."

—William E. Leuchtenburg

"A biography that not only illuminates both the excellencies and the malignancies of Johnson's often baffling character, but also illumines the political and social landscape across which he so massively moved."

—David M. Kennedy, *The Atlantic Monthly*

"A triumphant portrait.... It should stand for years to come as the most rounded portrait we have of this compelling, formidable, flawed giant. This is biography in the grand style."

—Doris Kearns Goodwin

\$30.00, 721 pp.

INSIDE THE COLD WAR

Loy Henderson and the Rise of the American Empire

H.W. BRANDS

"Scholars should welcome this well-written and well-researched biography of an important but often neglected framer of U.S. foreign policy during the mid-20th century.... Taking care to review the larger societal and global context in which Henderson operated, Brands shows how this staunch Cold Warrior's life reflected the moment when the United States abandoned its isolationism and became a world power."

—*Library Journal*

\$29.95, 337 pp.

THE ASCENDANCE OF ISRAEL'S RADICAL RIGHT

EHUD SPRINZAK

"Sprinzak is widely recognized as among the world's foremost scholars on Israeli politics. His exhaustive research and first-hand interviews with the major figures on the Israeli Right come together in this particularly thoughtful and thought-provoking book."

—Robin Wright

"The most outstanding and extraordinary study of contemporary Israel's radical right movement."

—Amos Perlmutter

"A thorough study.... Sprinzak provides unprecedented coverage."

—*Kirkus Reviews*

\$29.95. 320 pp.

SOLIDARNOŚĆ

BREAKING THE BARRIER

The Rise of Solidarity in Poland

LAWRENCE GOODWYN

"The bitter confrontation between Solidarity and the Polish Communist government as presented by Goodwyn makes for an absorbing and illuminating tale. He has not been satisfied merely to interleaf chronology with shrewd analytical judgments, but also has done fascinating sketches of the Gdansk shipyard workers and Warsaw dissident intellectuals.... That they come to life on these pages makes Goodwyn's work an invaluable record of a unique time."

—Dusko Doder, *The Chicago Tribune*

\$27.95, 466 pp.

CONGRESSIONAL ANECDOTES

PAUL BOLLER

"This latest collection of stories about the distinguished and not-so-distinguished individuals who have served in Congress offers not only laughs, but a feeling for the texture of life in Washington over 200 years."

—Bill Bradley

"If you love Congress, you'll love *Congressional Anecdotes*. If you hate Congress, you'll love *Congressional Anecdotes*."

—Pat Schroeder

Grand Strategies in War and Peace

edited by Paul M. Kennedy

In this important book, the author of *The Rise and Fall of the Great Powers* brings together a group of distinguished authorities to look at how the United States, the Soviet Union, and various European powers have integrated their political, economic, and military goals in order to preserve their long-term interests in times of war and peace. The contributors—among them Sir Michael Howard, J.H. Elliott, Douglas Porch, Condoleezza Rice, and Kennedy—provide insightful historical analyses and also offer incisive advice on the future directions nations should take. \$25.00

American Intellectuals and African Nationalists, 1955-1970

Martin Staniland

"In this intellectually exuberant book, Martin Staniland systematically analyzes American reactions to Africa and manages to make sense of divergent and conflicting views of conservatives, liberals, Marxists, black Americans, white Americans, everyone who had an opinion about Africa. It is a work of originality and insight into the critical years of African nationalism and African independence."

TRAPPED BY SUCCESS

The Eisenhower Administration and Vietnam

David L. Anderson

Anderson provides the first systematic study of the diplomatic legacy left by the Eisenhower administration: how the administration committed itself and its successors to losing billions of dollars and thousands of lives in an effort to protect its own false and frail creation in Indochina.

Contemporary American History Series
\$39.50, 276 pp.

POWER AND LEADERSHIP IN INTERNATIONAL BARGAINING

The Path to the Camp David Accords
Shibley Telhami

In 1978, starting from seemingly irreconcilable positions, Egypt and Israel signed the Camp David Accords. Here, Telhami examines the accords, asking how these surprising agreements came to be, and how they fit in the scope of international relations and strategic conflicts.

\$40.00, 280 pp.

PROGRESS IN POSTWAR INTERNATIONAL RELATIONS

Edited by Emanuel Adler and Beverly Crawford

Some of the most original thinkers in the field explore the occurrence and meaning of progress through international institutional change, interaction among states, the formulation and implementation of policy, and changes in values, expectations, and attitudes.

The Political Economy of International Change
\$45.00, 416 pp.

COMMAND IN CRISIS

Implications of Stratified Crisis Intervention

Joseph F. Bouchard

Backed by recently declassified documents and interviews with crisis participants, Bouchard, a U.S. Navy surface warfare officer and strategic planning specialist, explores the problems that can arise when military force is used as a political tool in crises, and the implications of using this force for inadvertent escalation to war.

\$45.00, 325 pp.

LENIN, TROTSKY AND STALIN

The Intelligentsia and Power

Philip Pomper

Pomper examines the psychological and political dynamics of the three men who played key roles in shaping the Soviet Union. Delving into new information, as well as the insights of émigrés and dissidents, the author explores the relationship between the personal histories of these men and their political commitments.

Now in paper! \$16.50, 464 pp.

THE IMPACT OF GORBACHEV

Edited by Derek Spring

Contributors examine Gorbachev's impact on domestic issues such as the nationalities debate, labor relations, and education, along with the creation of the Gorbachev image abroad, his strategy toward the United States, and his effect on Eastern Europe as a whole.

INTERNATIONAL DISPUTE SETTLEMENT

Second Edition

Professor J.G. Merrills

A substantially expanded and updated edition of Professor Merrills' comprehensive survey of the methods and techniques employed in the peaceful settlement of international disputes. This book explains what the relevant techniques and institutions are, how they work and when they are used.

The new edition deals with many recent developments, discussing peace-keeping operations, current treaty practice, contemporary arbitral decisions, including the *Rainbow Warrior* case, and the latest case-law of the International Court of Justice.

To be published July 1991
ISBN 0 949009 94 6

COMPETITION POLICY AND MERGER CONTROL IN THE SINGLE EUROPEAN MARKET

The Rt Hon. Sir Leon Brittan, QC

What is the jurisdictional basis for the operation of EC Competition rules? What is the scope and range of application of the recently adopted "Merger Regulation"? These questions are central to the administration of EC Competition policy and to any corporate strategic planning in Europe.

In two lectures delivered in February 1990 at the University of Cambridge, Sir Leon Brittan, who is the Vice-President of the European Commission, examines these problems in the context of the unfolding Single Market.

AMERICAN POLITICS

NEW

THE GOVERNING CRISIS

Media, Money, and Marketing in American Elections
W. LANCE BENNETT, University of Washington

Arguing that our political system selects candidates who are better at running for office than they are at governing, W. Lance Bennett examines two urgent problems in American politics: the declining quality of political debate in American elections and the inability of elected officials to make effective public policy. Drawing on his comprehensive research, as well as his insider connections with popular journalists and politicians, Bennett provides valuable insight into the roles of money, marketing, and the media in American elections.

NATIONAL SECURITY

Enduring Problems in a Changing Defense Environment
Second Edition

DONALD M. SNOW, University of Alabama

A brief overview that explains how defense issues and instruments of national power work as components in the formulation of U.S. national security policy. The second edition covers the recent changes in the international environment, strategic use of conventional and nuclear arms, and economic issues as they relate to defense policy and national strength. Included is a new chapter on the decision making process in national security policy.

Paperbound. 320 pp. 1991

RECONSTRUCTING CONSENSUS

American Foreign Policy since the Vietnam War

RICHARD A. MELANSON, Brown University, Kenyon College

Reconstructing Consensus examines the reformulation of American foreign policy in the aftermath of the war in Vietnam. Organized by presidential administrations from Richard Nixon to George Bush, the book traces attempts to forge a new foreign policy consensus to replace what had been severely challenged by the American experience in Vietnam.

Paperbound. 248 pp. 1991

WORLD SECURITY

Trends and Challenges at Century's End

MICHAEL T. KLARE, Hampshire College

DANIEL C. THOMAS, Cornell University

World Security presents 17 original contributions (and one previously published article) from leading writers in international relations and peace studies. It is the first text or reader to present major issues in international politics from a consistent, globalist framework. The book's broad definition of world security includes a range of nonmilitary issues — human rights, famine, debt and development, and global ecology.

Paperbound. 448 pp. 1991

INTERNATIONAL POLITICAL ECONOMY

Perspectives on Global Power and Wealth
Second Edition

JEFFRY A. FRIEDEN, and DAVID A. LAKE, both of the
University of California, Los Angeles

Retaining its consistent, critical focus on theory and analysis, the second edition of *International Political Economy* offers contemporary articles on a wide range of issues including multinational corporations, foreign investment, trade imbalances, and the fluctuating value of the dollar.

Paperbound. 470 pp. 1991

AT ISSUE

Politics in the World Arena
Sixth Edition

STEVEN L. SPIEGEL, University of Los Angeles, California

An authoritative collection of 34 contemporary readings (all of which are new to this edition) by leading theorists and writers who deal with the most immediate issues in world politics today. The new edition includes selections on changes in superpower relations, the Pacific Rim economy, and the international drug war, and also provides expanded coverage of the environment and global ecology as a security issue.

Paperbound. 518 pp. 1991

AMERICAN FOREIGN POLICY

Pattern and Process
Fourth Edition

CHARLES W. KEGLEY, JR., University of South Carolina
EUGENE R. WITTKOPF, Louisiana State University

A thorough introduction to the process and objectives of postwar American foreign policy. New to the fourth edition are expanded treatment of the Gorbachev era reforms and updated material on the international political economy and its implications for U.S. foreign policy.

THE FUTURE OF AMERICAN FOREIGN POLICY

CHARLES W. KEGLEY, JR., University of South Carolina
EUGENE R. WITTKOPF, Louisiana State University

The Future of American Foreign Policy brings together 28 essays — two of them written specifically for this volume — that explore the major questions confronting American foreign policy makers in the wake of the Cold War. The essays, all written by prominent policy makers and academic specialists, represent a wide range of viewpoints and perspectives on different options, priorities, and directions the U.S. must consider in formulating a foreign policy for the 1990s and beyond.

Paperbound. 336 pp. (probable)

Publication: November 1991

NEW

SOVIET POLITICS

Struggling with Change

Second Edition

GORDON B. SMITH, University of South Carolina

In this second edition, Gordon Smith provides a concise, fully up to date study of the Soviet political system. He covers all the recent fundamental changes in the conduct and structure of the Soviet government and goes beyond describing political institutions to explore a wide range of influences on the system, including history, culture, religion, ideology, and technology.

Paperbound. 400 pp. (probable)

Publication: November 1991

COMPARATIVE POLITICS

NATIONS AND GOVERNMENTS

Comparative Politics in Regional Perspective

THOMAS M. MAGSTADT, Air War College

Nations and Governments provides a contemporary global context to help students compare the political settings, institutions, and trends in six world regions: Western Europe, the Soviet Union and Eastern Europe, the Middle East, Asia, Sub-Saharan Africa, and Latin America. Key nations in each region are highlighted as case studies to show how they exemplify or diverge from the region's characteristics. Includes coverage of the recent realignments in Europe and the Soviet bloc.

Hardcover. 544 pp. 1991

PUBLIC ADMINISTRATION

PREFACE TO PUBLIC ADMINISTRATION

A Search for Themes and Direction

RICHARD J. STILLMAN II, George Mason University

Preface to Public Administration is a thoughtful consideration of the development of the theory and practice of public administration in America. The author examines the development of public administration from the late 18th century on, and contrasts the history of public administration in the U.S. with that of the public administration in Europe.

Paperbound. 242 pp. 1991

NEW

PUBLIC ADMINISTRATION IN AMERICA

Fourth Edition

GEORGE J. GORDON

Like its highly successful predecessors, this fourth edition of *Public Administration in America* provides a balanced, comprehensive, highly readable introduction to the field. Professor Gordon fully integrates both political and managerial perspectives on public administration, and he considers the future of public administration and its role in a democratic government — specifically, how government influences, and is influenced by, a complex bureaucracy of nonelected public officials.

Hardbound. 608 pp. (probable)

Publication: November 1991

POLITICAL THEORY

NEW

POLITICAL THEORY

Classic Writings, Contemporary Views

JOSEPH LOSCO, Ball State University

LEONARD WILLIAMS, Manchester College

A comprehensive, one-volume history of Western political thought, *Political Theory* introduces students to 16 major thinkers, from the ancient Greeks to the present. The writings of each philosopher are paired with two contemporary commentaries, chosen for their accessibility, their ability to provide students with contrasting views on each thinker, and their demonstration of the relevance of the writings in contemporary times.

LAW

AMERICAN CONSTITUTIONAL LAW

Cases and Interpretation

Third Edition

RALPH A. ROSSUM, Claremont McKenna College

G. ALAN TARR, Rutgers University, Camden Campus

A topically organized text for the American constitutional law course that focuses on constitutional interpretation. This edition is updated with constitutionally significant pronouncements of Congress since 1987. Accompanied by an annual supplement that summarizes important cases from recent Supreme Court sessions.

Hardcover. 768 pp. 1991

NEW

IN PURSUIT OF EQUALITY

Women, Public Policy, and the Federal Courts

SUSAN GLUCK MEZEY, Loyola University of Chicago

In Pursuit of Equality traces the development of women's equality under federal law from 1960 to the present and examines the effectiveness of the federal courts in implementing expanded legal rights and protections for women. Includes a consideration of the actions of Congress and the executive branch in determining the scope of women's rights in America.

Paperbound. 304 pp. (probable)

Prepublication examination copies now available

MEDIA

NEW

MAKE-BELIEVE MEDIA

The Politics of Entertainment

MICHAEL PARENTI

In Make-believe Media, Michael Parenti examines film and television from a political perspective. Drawing his examples from Westerns, monster movies, romantic comedies, family sitcoms, medical dramas, and from cartoons and other children's programming, Parenti looks at the content of popular films and television programs; the effects of the media on society; the political economy of the entertainment industry; and the fact of censorship and control within the industry.

H. B. Paksoy
ALPAMYSH: CENTRAL ASIAN IDENTITY UNDER RUSSIAN RULE

(Hartford, CT: Association for the Advancement of Central Asian Research)

(Paperback) \$10.95; (Hardcover) \$49.95 + \$2.50 S & H

Prepayment required from individual purchasers

ORDERS: Treasurer, AACAR, Department of History, UMASS-Amherst, MA 01003

Paksoy... is absolutely right about the value of the oral, "folk" records like the dastans for preserving ethnic identity... I am also impressed by Paksoy's insistence (contra a rash of superficial contentions recently) that a fundamental unity of Turks persists across all artificial Soviet divisions...

John A. Armstrong - Emeritus, University of Wisconsin-Madison

Through his scholarly commentary on this important epic of the Turkic peoples of Central Asia, Paksoy conveys an understanding of its political as well as its cultural significance for the relationship between the Turkic peoples and the Russian or Soviet state.

Ralph T. Fisher - University of Illinois, Urbana-Champaign

Epic and politics -- yes, always!

Arthur T. Hatto - University of London

I have only the highest praise for its scholarship. It... [is] an illuminating case study of the importance of the collective memory for the maintenance of ethnic and community identity.

Keith Hitchins - University of Illinois, Urbana-Champaign

H. B. Paksoy masterly reconstitutes the shabby saga of Tsarist/Soviet efforts first to muzzle this authentic vox populi and then to pervert the message of these texts...

Guy Imart - Universite De Provence, Aix Marseille I

Dr. Paksoy has with the publication of his book rendered a great service... to all those scholars who devote their time to research in Soviet inter-ethnic relations...

Ambassador Gunnar Jarring - Sweden

Dr. Paksoy opened a new stage in Central Asian area studies. The fresh fruits of [his] thorough investigation on Soviet Central Asian literature, history and politics are integrated in this work...

Hisao Komatsu - School of Letters, Tokai University

Dr. Paksoy's absorbing book contains... a concise account of Soviet language policy...

Geoffrey L. Lewis - Oxford University

This is one of those rare books which offer the Western reader a Central Asian perspective on the Russian conquest of the non-Slavic territories in Asia.

Ewa M. Thompson - Rice University

Dr. Paksoy has done a beautiful job with the dastan Alpamysh. The work is meticulously and exactingly done, and presented clearly.

Wayne S. Vucinich - Stanford University

Global Impact of Economic and Political Reforms in Eastern Europe and the USSR

Economic Bulletin for Europe

This is the latest review of economic developments in Europe and North America, with special emphasis on Eastern Europe and the Soviet Union. It describes the process of transforming centrally planned economies into decentralized market economies as well as a detailed analysis of the oil shocks emanating from the Gulf and another shock due in 1991 when the USSR begins to charge world prices in convertible currency for its oil exports to Eastern Europe. 120 pp.
E.90.II.E.37 92-1-116493-1 \$55.00

Economic Survey of Europe in 1990-1991

This publication provides an account of the principal macro-economic developments in the European region. It offers a framework for viewing the reform process in Eastern Europe and in Europe as a whole, and analyses the optimal framework for the western support to economic reforms in eastern countries, with particular emphasis on the relevance of the MARSHALL PLAN. The Survey includes statistical appendices and a list of over fifty tables and charts quantifying the evaluation. 255 pp.
E.91.II.E.1 92-1-116508-3 \$80.00

Reforms in Foreign Economic Relations of Eastern Europe and the Soviet Union

This publication features each country's institutional framework including data on foreign trade payments; decentralization of decision-making; exchange rate system; export and import policies; joint ventures; and impact of reforms in the external sector on the country's participation in the international trade. Also presented are the economic relations of each country with market economies and with socialist countries. 202 pp.
E.91.II.E.5 92-1-116502-4 \$60.00

The Challenge of Free Economic Zones In Central and Eastern Europe: International Perspectives

In the last few years, China and a number of Central and Eastern European countries have set up free economic zones whose immediate objective is to attract foreign direct investment to assist in international economic restructuring. This study examines all major aspects linked to the establishment of free economic zones in Eastern Europe and the USSR. It discusses the role and objectives of free economic zones in economic development and points out relevant lessons from other countries. For both investors and policy makers, this important study will give them a better understanding of the rewards and challenges of free economic zones as they open up in Eastern Europe. 460 pp.
E.90.II.A.27 92-1-104358-1 \$75.00

East-West Joint Venture Contracts

Reprinted due to popular demand, this book reflects practical experiences from joint ventures in the Soviet Union, Romania, Poland, Hungary, Czechoslovakia and Bulgaria. Model joint venture contracts and charters are also included. 224 pp.
E.88.II.E.30 92-1-164370 \$50.00

124 Roberts Place / Ithaca NY 14850

The Johns Hopkins Series in Constitutional Thought

Sotirios Barber and Jeffrey Tulis, Series Editors

AMERICA'S CONSTITUTIONAL SOUL

Harvey C. Mansfield, Jr.

Lately, Harvey Mansfield argues, Americans have begun to value the right of privacy above all others, to consider their rights entitlements, and to forget their pride in governing themselves. In essays on the Reagan "revolution," the conservative movement, religion, affirmative action, the media, and the separation of powers, one of America's leading political theorists and most penetrating thinkers on the Constitution describes what's wrong with American politics today—and what can be done about it.

\$25.95 *hardcover*

THE ENNOBLING OF DEMOCRACY

*The Challenge of
the Postmodern Age*

Thomas L. Pangle

"When a thinker of Thomas Pangle's learning, moral seriousness, and prudence sounds an alarm at the 'civic irresponsibility,' 'spiritual deadliness,' and 'philosophical dogmatism,' of our currently dominant modes of thinking, we need to begin worrying. When he outlines an agenda for reinvigorating our republican experiment, we would do well to pay heed."—Mary Ann Glendon, Harvard Law School

"Presents a challenge that serious thinkers about democracy and education should not evade."—Donald Kagan, Yale University

Mozambique *Who Calls the Shots?*

By Joseph Hanlon

When affluent nations give aid to a developing country, how subservient must the recipients be? When Mozambique tried to avoid the traditional aid relationship and de facto recognition by aid donors, Western powers used destabilization to weaken Mozambique and force it to accept aid, and thus to enter a conventional subservient relationship with the donors.

cloth \$39.95

Nigeria, Africa, and the United States

From Kennedy to Reagan

By Robert B. Shepard

Shepard argues that U.S. policy toward Nigeria has never had much to do with what was going on there or in Africa as a whole. Instead, U.S. policy makers have seen what they wanted to see and proceeded accordingly. He charts the changing face of a relationship, which is in many ways typical of U.S. policy toward the nations of Africa.

cloth \$24.95

The ANC and the South African Communist Party in Exile, 1960-1990

By Stephen Ellis and
Oyama Mabandla

Using insider knowledge and previously unavailable information, the authors describe how the Communist Party took over leadership of the ANC during the time when both organizations were banned in South Africa and forced to establish their headquarters in exile. The book also discusses the guerrilla army set up jointly by the two organizations in 1981 under the command of Nelson Mandela.

BEYOND THE SOVIET THREAT

The U.S. Army in a Post Cold War Environment

James B. Motley

“A timely and well-written book. Careful research combined with an analytical skill resulting from years of military experience and accomplished scholarship, this soldier-scholar has captured the essence of problems facing the U.S. Army in the new security environment. Motley’s book is a must for those concerned with the role and structure of the U.S. Army in the coming years.”

— Sam C. Sarkesian,
Loyola University of Chicago

THE PLACE OF MORALITY IN FOREIGN POLICY

Felix E. Oppenheim

Provides a thought-provoking examination of an all-too-often overlooked question central to any discussion of international relations and ethics: to what extent is morality relevant in foreign policy decisions? Written to challenge students and experts to explore in what instances morality and moral commitments really matter in international politics.

AMERICAN DEFENSE ANNUAL, 1991-1992

Joseph J. Kruzell, *Ohio State University*

Now updated to include the latest data from Operation Desert Storm, this is the indispensable guide to the current state of U.S. security policy and how recent dramatic changes in international politics may affect the course of security policy in the 90s.

“Defense reform is one of a number of topics covered...contains useful source material.” — *Foreign Affairs*

October 1991 0-669-27970-6 \$24.95 paper

DEFENSE BEAT

The Dilemmas of Defense Coverage

Loren Thompson,
Georgetown University, Editor

As the recent Gulf war graphically demonstrated, there is an inherent tension between the interests of soldiers and those of the journalists assigned to cover military operations. This book shows how and why this friction between the military and the media, which has persisted since the founding of the republic, has caused profound legal and ethical problems during both war and peace. Thompson begins with an extensive history of U.S. wartime coverage, which traces the evolution of the military-media relationship from the American Revolution to Operation Desert Storm. He then provides thoughtful perspectives on the current status of this relationship written by experts who have experienced it firsthand from both sides.

1991 0-669-21842-1 \$29.95

THE INTERNATIONAL POLITICS OF TELEVISION

George H. Quester, *University of Maryland*

This groundbreaking new book examines the impact of television’s trans-national reach and its potential to dramatically influence global relations in the future.

THE UNITED STATES ARMY *Challenges and Missions* *in the 1990s*

Robert L. Pfaltzgraff, Jr. and
Richard H. Schultz, Jr.

This portrait of the Army's future closely examines the new and emerging issues now confronting U.S. policymakers and military leaders. Bringing together 21 leading security specialists, this book provides incisive analysis of the Army's role within American defense policy in the world today and beyond.

1991 0-669-27562-X \$39.95

THE **INTERNATIONALIZATION** **OF HUMAN RIGHTS**

David P. Forsythe, *University of Nebraska*

This fascinating exploration of the campaign on behalf of human rights since 1945 shows that this issue, once considered the province of states, has now become an integral part of international relations.

Forsythe provocatively probes such hotly-debated questions as what constitutes a human right, whether international action for human rights is a form of cultural imperialism, and whether there can be international standards for human rights but variation among states in implementing them.

WILLIAM S. DIETRICH
**IN THE SHADOW
OF THE RISING SUN**

The Political Roots of
American Economic Decline

**Why is the United States unable to compete effectively with Japan?
How can America emerge from the shadow of the Rising Sun?**

"The lack of an industrial policy in the United States is the main reason why the U.S. and Japan are trading places in terms of wealth and technological prowess. The economic ideologues of Washington who fear that industrial policy is some kind of heresy should read this book. It accurately explains what industrial policy is, how Japan used it to become the world's richest big nation in terms of per capita income, why we cannot do without it, and what will happen to us as a nation if we continue to cling to obsolete beliefs in laissez faire and so-called free trade."

—Chalmers Johnson, University of California, San Diego

"This book provides a fair and comprehensive analysis of America's economic problem. Its inherent merits are greatly enhanced by the fact that the author is a businessman-scholar who speaks with authority on many topics. His study will be invaluable for anyone seeking to get a handle on the issue of and the debate over American decline."

—Robert G. Gilpin, Jr., Princeton University

"*In the Shadow of the Rising Sun* is a powerful call for a stronger government role to modernize the U.S. economic system. What makes it especially noteworthy is that the call comes from a business executive. When enough other CEOs join Bill Dietrich, we may be on the way to finding our proper place in the world economy."

—Robert Heilbroner, New School for Social Research

360 pages \$24.50 ISBN 0-271-00765-6

FEEDING FRENZY **How Attack Journalism Has Transformed American Politics**

Larry J. Sabato, *University of Virginia*

The media's relentless inquisitions into private lives have left lifelong scars on such figures as John Tower, Geraldine Ferraro, Gary Hart, Dan Quayle, and others. Sabato shows how changes in the libel laws, the increasingly competitive character of the major news organizations, the instantaneous delivery of the news, the domination by television of radio and print, and the star system of modern political reporting fuel the media's omnivorous appetite for personal news and make it extremely difficult to curtail. As the upcoming elections draw near, Sabato's book is a call for the media to return substance to the democratic debate.

1991 0-02-927635-7 \$22.95

UNDERWRITING DEMOCRACY

George Soros

During the early 1970s, Hungarian-born financier George Soros emerged as one of the world's foremost money managers. Recently he has turned his skills to helping transform the societies of Eastern Europe and the Soviet Union. In this incisive work, Soros recounts his efforts to identify and fund the radical movements which caused the downfall of those communist regimes. He now calls for a restructuring of the Soviet economy around a hard currency, which would give the various republics a real basis on which to trade and establish their autonomy within a more open system.

Social Research is More Than Crunching Numbers

All leading statistical analysis packages will crank out statistical results, but only if you precisely follow elaborate instructions imposed on you by programmers who never do research.

At **MicroCase**[®] we think this is backwards. Maybe that's because the company was founded by experienced social scientists who were interested in research, not computers. So we created MicroCase 2.1, a complete statistical analysis and data management system as easy to operate as your word processor.

MicroCase 2.1 does it your way. Our programmers were never allowed to take the easy way at the expense of the users. They have done all the hard work so that you can concentrate on your research, not on operating the computer.

Don't be a slave to slow programs with arcane command languages!

MicroCase is fast enough so that you can work interactively at your personal computer. You never have to wait unless, of course, you are working with an immense data base. And MicroCase can handle up to 9,999,999 cases and 32,000 variables!

MicroCase is a screen-oriented program that lets you *see* relationships on graphics screens, map ecological data, and view internal codebooks from anywhere in the program. Or to print a result, simply touch a single key.

MicroCase also comes with a *built-in* C.A.T.I. system. In addition to supporting telephone interviewing, the C.A.T.I. lets you give self-administered questionnaires or exams in computer labs, and it allows virtually "mistake proof" data entry.

Why not switch to the analysis system that does more than crunch numbers? Make the switch to MicroCase!

MicroCase[®] Version 2.1

**The Divided World of the Bolivian Andes:
A Structural View of Domination and Resistance**

Dwight R. Hahn,
John Carroll University, University Heights, OH

Bolivian society is divided, but it is not just between the rich and the poor, or the workers and the owners, or the peasant and the landowner. Bolivia's major division is between two worlds in which values, perceptions and social organization are radically different.

For this study, a mode of production is considered to be composed of three interlocking features. These features, political, ideological, and economical, should be seen as the pervasive themes that, together, combine in various effects, which in turn compose the reproducing thing called 'society'. The book demonstrates that the Bolivian state was unable to overcome the contradiction posed by indigenous ideology, which was reactive and resistant to the intrusion of capitalist reactions to production in the countryside.

**State, Class and the Nationalization
of the Mexican Banks**

Russell White, Ph.D.,
Latin American Consulting, Inc., Kent, WA

This book provides an analytical history of Mexican banks and the transformation of commercial, bank and finance capital. It examines the relevance of Mexican financial history as compared to the decision to nationalize the banks. By analyzing the role of the State in relation to capital, the author addresses important political concepts about the nature of the State and the nature of class fractions of capital. This book specifically addresses the issue of intra-class political-economic power. The author is particularly interested in examining the development, maturation, and power of the financial fraction of the bourgeoisie.

POLITICAL ANALYSIS

An Annual Publication of the
Methodology Section of the American
Political Science Association

VOLUME 2, 1990

Edited by James A. Stimson

Associate editors: Christopher A. Achen, University
of Chicago; Nathaniel L. Beck, University of California,
San Diego; Stanley Feldman, University of
Kentucky; John A. Ferejohn, Stanford University.

Now in its second year, *Political Analysis* publishes
scholarly articles on topics related to all areas of
political science methodology as it is broadly defined, including statistical models,
modeling, measurement, and research design. Volume 2 of *Political Analysis* addresses
such issues as fallacy in comparative politics inquiry, classification of interstate
conflict outcomes, and instrumental variables models and models of dimensionality,
and presents a debate on the usefulness of R-square. The volume joins its predecessor
as a publication of great value in communicating new methodical research.

NEW AND EXPANDED EDITION RATIONALISM IN POLITICS AND OTHER ESSAYS

By Michael Oakeshott

Foreword by Timothy Fuller

Michael Oakeshott's work is beginning to attract the attention it richly deserves and this excellent new edition, including very important essays that have been inaccessible, will surely augment the growing interest in his thinking. It will be particularly valuable to be able to consult these essays in the light of **On Human Conduct**.

—Richard Flathman, Johns Hopkins University

Rationalism in Politics has established Michael Oakeshott as the greatest British philosopher of conservative disposition. First published in 1962, this new and expanded edition includes six additional essays (one previously unpublished), a full index, and a foreword and bibliography by Timothy Fuller. This edition also arranges the essays thematically so that the reader will be better able to grasp the relation between the arguments of these essays and Oakeshott's other major works.

558 + xxvi pages. Preface to the 1st Edition, foreword, bibliography, index.

THE BITTERSWEET CENTURY

Speculations on Modern Science and American Democracy

by Paul N. Goldstene

"In *The Bittersweet Century* Goldstene exposes the elitist core of liberal thought and practice with a radical critique that focuses on the opposition of liberals and conservatives alike to a genuinely democratic and egalitarian society. It is a powerful and penetrating indictment of liberalism in theory and practice . . . scintillating in analysis and exhilarating in style."

Rick Tilman, *Journal of Economic Issues*, September 1990

"For those willing to give it careful reading and study . . . *The Bittersweet Century* will serve as a useful springboard for understanding the role of science and technology in the current public policy environment of the late twentieth century."

Dennis L. Soden, *Perspectives on Political Science* (Winter, 1990)

Paul N. Goldstene is Professor of Government at California State University, Sacramento. He is the author of *The Collapse of Liberal Empire: Science and Revolution in the Twentieth Century* (Yale University Press, 1977; Chandler & Sharp, 1980) and *Democracy in America: Sardonic Speculations* (Bucknell House, 1988).

256 pp., 6x9, notes, indexes (names & topics)

ISBN 0-88316-560-0 (cloth) \$22.95 ISBN 0-88316-559-7 (paper) \$12.95

Other titles from Chandler & Sharp include: *The Enterprise of Public Administration* (Dwight Waldo), *Beyond Liberalism, Where Relations Grow* (Henry Kariel), *Understanding Politics* (William Stewart), and two books by Jane Bayes—*Minority Politics and Ideologies in the U.S.* and *Ideologies and Interest-Group Politics*.

AGENDA SETTING

THE REASONING VOTER

Communication and Persuasion in Presidential Campaigns

Samuel L. Popkin

"Popkin's considerable achievement is to consolidate into a single framework the insights provided by the sociological study of campaigns, the economic analysis of information seeking, and the psychology of judgment and choice. The book is ambitious, original, and important, not least because it enriches our understanding of the peculiar way we Americans choose a president."

—Donald R. Kinder, coauthor of *News That Matters: Television and American Opinion*

"A brilliant and elegantly written book that will change the way we view elections."

—E. J. Dionne, Jr., author of *Why Americans Hate Politics*

Cloth \$19.95 272 pages

American Politics and Political Economy series

THE HOLLOW HOPE

Can Courts Bring About Social Change?

Gerald N. Rosenberg

"This is an exciting, important book, making a powerful case for the ways the U.S. courts are embedded within and constrained by larger social and political processes."

—Jane Mansbridge, author of *Beyond Self Interest*

Cloth \$29.95 424 pages

SHIFTING THE BURDEN

The Struggle over Growth and Corporate Taxation

Cathie J. Martin

"A trenchant analysis of the perennially important question of the relationship between governmental strategy, corporate taxation, and economic growth."

—Aaron Wildavsky

Paper \$15.95 260 pages

GAINING ACCESS

Congress and the Farm Lobby, 1919-1981

John Mark Hansen

Drawing on rational choice theory, this comprehensive analysis of American agricultural politics illustrates when, how, and why interest groups gain and lose influence in the policy deliberations of the United States Congress.

Paper \$15.95 232 pages

MAKING LOCAL NEWS

Phyllis Kaniss

"A sophisticated and lucid explanation of the symbolic, political, and economic factors that shape the news closest to home. A first in its field and a must for students and scholars."

—George Gerbner, coauthor of *Communications Technology and Social Policy*

Cloth \$24.95 248 pages

THE CLOSING DOOR

Conservative Policy and Black Opportunity
Gary Orfield and Carole Ashkinaze

With a Foreword by Andrew Young

This powerful and disturbing portrait of the decline of black opportunity in America reveals not only how conservative racial policies and market solutions failed in the city of Atlanta, but also how many gains made in that cradle of the civil rights movement were lost during the last decade.

Cloth \$22.50 274 pages

12 line drawings, 33 tables

THE FOUCAULT EFFECT

Studies in Governmentality

Edited by Graham Burchell,
Colin Gordon, and Peter Miller

In this long-awaited sequel to *Power/Knowledge* Foucault examines the activity of government both in its present form and within a historical perspective. Two lectures by and an interview with Foucault are supplemented here with essays on the topic of governmentality by internationally renowned scholars.

Paper \$19.95 320 pages

Princeton

Ruth Berins Collier and David Collier

Illuminating the dynamics of political change in Latin America during the twentieth century, this ambitious work traces the impact of a "critical juncture": a period of fundamental political reorientation in which countries are set on distinct trajectories of change. The authors focus on the response of national states to the newly radicalized working class and organized labor movements that arose in the course of capitalist modernization. They examine the incorporation of the labor movement, showing how national leaders—including Perón in Argentina and Vargas in Brazil—sought to impose a new political and institutional framework on working-class politics.

"This work is a *tour de force*. It will not only be one of the most important books on Latin America in the next decade, but will also be a major landmark in comparative politics and political development."

—Robert Kaufman, Rutgers University

Paper: \$19.95 ISBN 0-691-02313-1

Cloth: \$75.00 ISBN 0-691-07830-0

STEVE WEBER

Cooperation and Discord in U.S.-Soviet Arms Control

Steve Weber

If international cooperation is difficult to achieve and to sustain, why then have two rival superpowers been able to cooperate in placing limits on their central strategic weapons systems? Extending an empirical approach to game theory—particularly that developed by Robert Axelrod—Steve Weber offers a new theory explaining the range of cooperation exhibited in three critical U.S.-Soviet arms control cases: efforts to limit anti-ballistic missile systems, MIRV warheads, and anti-satellite weapons.

Weber concludes with a set of policy-relevant prescriptions recommending that the superpowers refocus their arms control efforts on joint research rather than continue to emphasize quantitative limitations on weapons systems.

Cloth: \$35.00 ISBN 0-691-07837-8

The Rise of the Therapeutic State

Andrew J. Polsky

Assuming that "marginal" citizens cannot govern their own lives, proponents of the therapeutic state urge casework intervention to reshape the attitudes and behaviors of those who live outside the social mainstream. Here Andrew Polsky investigates the emergence and persistence of the therapeutic state—the broad network of public agencies that adopt the casework approach. He shows how ideas and politics combined to establish the casework approach as a core element in American social policy. Further, he contends that the therapeutic state has failed to produce the results advocates have promised and has subverted basic democratic values.

"The Rise of the Therapeutic State interprets the development of social policy from a perspective that has often been noted but never elaborated in such a sustained manner. The author has made a forceful normative argument about the contradictions between the therapeutic approach and democracy."—Margaret Weir, Harvard University

Cloth: \$35.00 ISBN 0-691-07878-5

New in paperback

Constitutional Diplomacy

Michael J. Glennon

With a foreword by J. William Fulbright

Challenging those who accept or advocate executive supremacy in American foreign-policy making, *Constitutional Diplomacy* proposes that we abandon the supine roles often assigned our legislative and judicial branches.

"Although *Constitutional Diplomacy* was written before an American line was drawn in the sands of the Arabian Peninsula after Iraq took over Kuwait, it is hard to imagine a book that is more prescient and provocative about the huge military buildup in the Persian Gulf. . . . Glennon writes as if he had a crystal ball that foretold the events now unfolding in the Persian Gulf."

—Herbert Mitgang, *The New York Times*

Now in paper: \$14.95 ISBN 0-691-02305-0

Revised paperback edition

The Other Walls

The Arab-Israeli Peace Process in a Global Perspective

Harold H. Saunders

Drawing on intensive firsthand experience gained during the most successful years of Arab-Israeli peace negotiations, Harold Saunders explains the complexities of the peace process: it was not just a series of negotiated agreements but negotiation embedded in a larger political process. In the wake of the Gulf War Saunders suggests how insights from earlier Arab-Israeli peace negotiations can lead to a broader regional process.

INSTRUCTIONS TO CONTRIBUTORS

The *American Political Science Review* aims to publish scholarly research and writing of exceptional merit. Contributions must demonstrate the highest standards of excellence in conceptualization, exposition, methodology, and craftsmanship. Because the *Review* reaches a diverse audience of scholars and practitioners, contributors must demonstrate how their analysis or exposition illuminates a significant research problem, or answers an important research question, of general interest in political science.

Article Manuscripts

Article manuscripts should be submitted to the Managing Editor, Professor Samuel C. Patterson, *American Political Science Review*, Department of Political Science, Ohio State University, 112 Derby Hall, Columbus, Ohio 43210-1373. Four copies must be submitted, and none can be returned. Manuscripts must be typed double-spaced, on one side of the paper only, and include an abstract of no more than 150 words. The author's name and affiliation should not appear on the copies submitted, but only on a separate covering sheet. In general, the *Review* considers manuscripts of up to 30 pages in length. Moreover, the *Review* does not consider manuscripts submitted to other publications.

Manuscripts should be prepared following the guidelines of the *Style Manual for Political Science*, a publication of the American Political Science Association's Committee on Publications. It is available from the association's office. Otherwise, authors should follow the *Chicago Style Manual* and the example of recent issues of the *Review*. Graphs and tables should be presented on separate pages, with their location in the manuscript indicated, e.g., the notification "Table 1 about here," at the proper places.

Book Reviews

Books intended for review and all book review correspondence should be sent to the

Book Review Editor, Professor Helen M. Ingram, *American Political Science Review*, Department of Political Science, University of Arizona, Social Sciences 315, Tucson, Arizona 85721.

Other Correspondence

Information, including news and notes, for the Association's news journal *PS*, should be sent to Dr. Robert J-P. Hauck, Editor, American Political Science Association, 1527 New Hampshire Avenue, N.W., Washington, D.C. 20036. Advertising, reprint, and circulation correspondence should be sent to the Executive Director at the Washington office. Domestic claims for nonreceipt of issues must be made within four months of the month of publication; overseas claims, eight months. Advertising information and rates are available from Ann V. Peyser, Advertising Manager, APSA, 1527 New Hampshire Avenue, N.W., Washington, D.C. 20036.

Indexing

Articles and notes appearing in the *Review* before the June 1953 issue were indexed in *The Reader's Guide to Periodical Literature*. Current issues are indexed by *International Political Science Abstracts*, *United States Political Science Documents*, and *Social Sciences and Humanities Index*. Microfilm of the *Review*, beginning with Volume 1, may be obtained from University Microfilms, 300 North Zeeb Road, Ann Arbor, Michigan 48106. A *Cumulative Index of the Review*, Volumes 1-62, 1906-1968, also may be obtained from University Microfilms. Articles appearing in the *Review* are listed in *ABC Pol Sci* and *Current Contents: Behavioral, Social & Management Sciences*. Book Reviews are indexed in *Book Review Index*.
