Weak Alfvénic turbulence in relativistic plasmas. Part 2. Current sheets and dissipation – ERRATUM

**B. Ripperda, J.F. Mahlmann, A. Chernoglazov, J.M. TenBarge, E.R. Most,
J. Juno, Y. Yuan, A.A. Philippov and A. Bhattacharjee**

doi:10.1017/S0022377821000957, Published by Cambridge University Press,
3 November 2021

The original version of this paper was published with an incorrectly formatted title. The correct title is ‘Weak Alfvénic turbulence in relativistic plasmas. Part 2. Current sheets and dissipation’. This is important because it should be consistent with its accompanying paper ‘Weak Alfvénic turbulence in relativistic plasmas. Part 1. Dynamical equations and basic dynamics of interacting resonant triads’. The original version has now been updated.
