

# Meet the 2024-2025 Congressional Fellows

**ALEJANDRA SAMPSON** | PROGRAM ASSOCIATE, CONGRESSIONAL FELLOWSHIP PROGRAM & GOVERNANCE

The American Political Science Association is pleased to welcome the Class of 2024-2025 to its prestigious Congressional Fellowship Program (CFP). Since 1953, this selective, nonpartisan program has brought together political scientists, journalists, federal employees, and other professionals to gain firsthand experience on Capitol Hill through placements on congressional staff. The nine-month fellowship begins each November with an intensive orientation led by experts, followed by tailored placements and ongoing seminars. Through this unique opportunity, the program enhances public understanding of policymaking and improves the quality of scholarship, teaching, and reporting on American national politics.
