

KURT GÖDEL CENTENARY
RESEARCH PRIZE FELLOWSHIPS

(Organized by the Kurt Gödel Society with support from the John Templeton Foundation)

The Kurt Gödel Society is proud to announce the commencement of the research fellowship prize program in honor and celebration of Kurt Gödel's 100th birthday.

The research fellowship prize program sponsored by the John Templeton Foundation will offer:

- two Ph.D. (pre-doctoral) fellowships of \$60,000 us per annum for two years
- two post-doctoral fellowships of \$80,000 us per annum for two years
- one senior fellowship of \$120,000 us per annum for one year

The purpose of the fellowship is to support original research in mathematical logic, 'meta-mathematics,' philosophy of mathematical logic, and the foundations of mathematics. This fellowship is to carry forward the legacy of Gödel, whose works exemplify deep insights and breakthrough discoveries in mathematical logic.

The selection will be made based upon an open, international competition. An international Board of Jurors chaired by Professor Harvey Friedman will oversee the process. The finalist papers will be published in a special issue of a premier journal in mathematical logic.

Communications should be announcements of important new results and ideas in any aspect of logic; they may be short papers in their final form or preliminary announcements (extended abstracts, position papers) of longer, full papers that will be published elsewhere. In any case, they should include, in addition to a description of the new results or ideas, enough history, background, and explanation to make the significance of the work apparent to a wide audience. *Communications* will be quickly refereed and published within six months of the submission of final versions.

Articles should be submitted to **Akihiro Kanamori**, *Department of Mathematics, Boston University, Boston, MA 02215, USA* (aki@math.bu.edu); *Communications* may be submitted to the Managing Editor **Rod Downey**, *Department of Mathematics, Victoria University of Wellington, Box 600, Wellington, New Zealand* (rod.downey@vuw.ac.nz); or to any of the other editors: **Ilijas Farah**, *Department of Mathematics and Statistics, York University, 4700 Keele Street, Toronto, ON M3J 1P3, Canada* (ifarah@mathstat.yorku.ca); or **Phokion Kolaitis**, *Department of Computer Science, University of California Santa Cruz, Santa Cruz, CA 95064, USA* (kolaitis@cse.ucsc.edu); or **Manuel Lerman**, *Department of Mathematics, University of Connecticut, Storrs, CT 06269, USA* (mlerman@math.uconn.edu); or **Penelope Maddy**, *Department of Logic and Philosophy of Science, University of California, Irvine, CA 92697, USA* (pjmaddy@uci.edu); or **Katrin Tent**, *Fakultät für Mathematik, Universität Bielefeld, Postfach 100131, D-33501 Bielefeld, Germany* (ktent@math.uni-bielefeld.de). Submissions that are not readily categorized as either *Articles* or *Communications* should be sent to the managing editor.

The editors prefer electronic submissions. The preferred formats for electronic submissions are PDF or postscript, but other formats, such as Word documents, will be accommodated as best as possible. The author should keep a complete copy of the submitted manuscript and the electronic files from which it was created. After the paper is accepted in its final form, an electronic copy will be appreciated and will advance the final publication date of the paper. It is preferred that papers be prepared in L^AT_EX or other variant of T_EX, especially for manuscripts that include extensive symbolic or mathematical notation. The ASL L^AT_EX style files are available at <http://www.aslonline.org>, but their use is optional. Fifty offprints of each article are supplied at no charge; additional offprints may be purchased if desired.

Postscript files of articles published in the BULLETIN may be downloaded using a Web browser from <http://www.math.ucla.edu/~asl/bs1toc.htm>. All volumes of the BULLETIN also are available online in the JSTOR database.

Requests for information, applications for membership, orders for back volumes, business correspondence, and notices and announcements for publication in the BULLETIN should be sent to the Secretary-Treasurer of the Association, **Charles Steinhorn**, *ASL, Box 742, Vassar College, 124 Raymond Avenue, Poughkeepsie, NY 12604 USA*. The electronic mail address of the Association's business office is asl@vassar.edu. The ASL Website is located at <http://www.aslonline.org>.

All back volumes of the BULLETIN are available, from the Office of the Secretary-Treasurer who has information on prices and discounts to individual and institutional members.
