The Rise of Gridiron University

Higher Education's Uneasy Alliance with Big-Time Football

Brian M. Ingrassia

"An original and highly persuasive historical understanding of the origins of big-time football that reveals striking similarities between today's controversies and those of the Progressive Era. Essential reading for anyone interested in why so many American universities engage in commercial sports."—Charles T. Clotfelter, author of *Big-Time Sports in American Universities*

"An outstanding contribution to the scholarship on the history of college football. . . . Ingrassia's deeply researched argument overturns many of the assumptions in this field of study."—Murray Sperber, author of *Beer and Circus: How Big-Time College Sports Is Crippling Undergraduate Education*

"A fresh interpretation that shows how the distinctive American tradition of intercollegiate athletics was central, not peripheral, to the social and intellectual history of the Progressive Era."—John R. Thelin, author of *A History of Higher Education*

CultureAmerica

328 pages, 28 photographs, Cloth \$34.95

NEW IN PAPERBACK

See Government Grow

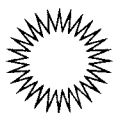

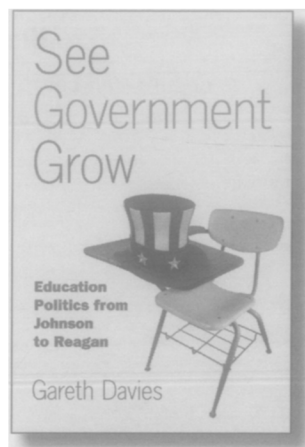

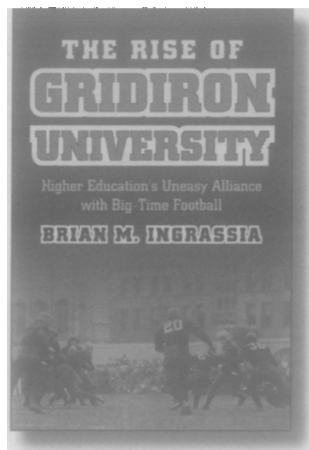

Education Politics from Johnson to Reagan

Gareth Davies

"A superb and insightful overview of federal education politics that challenges existing interpretations in several areas such as Nixon's role in southern school desegregation and the development of bilingual education programs. . . . A readable and fascinating account that will be a model for other scholars and undoubtedly stimulate additional research."—*American Historical Review*

"Will fascinate educational practitioners."—*American School Board Journal*

400 pages, Paper \$24.95
