H.R.H. The Princess Louise, Duchess of Argyll, President of the Central London Throat, Nose and Ear Hospital, officially opened on 14th November last "The Princess Louise" Wing of the Hospital.

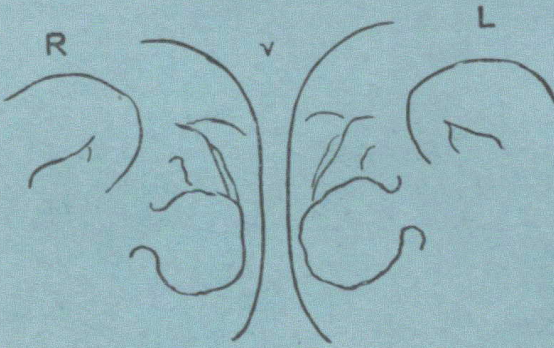

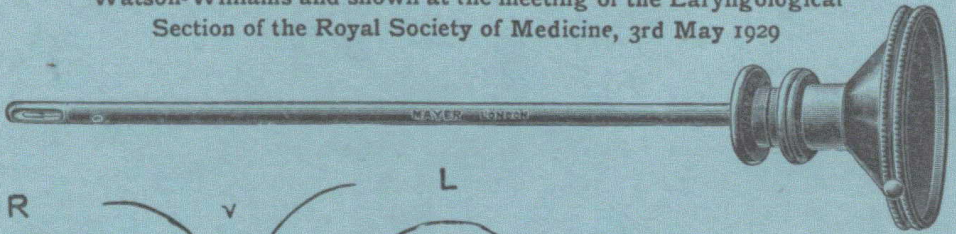

This new wing, which has been erected at a cost of £51,000, provides a complete Out-Patient Department with waiting hall to hold 400 patients, Operating Theatre, Dispensary Pathological Laboratory, Students' Rooms, etc., and four floors of wards with sixteen beds, single bed private ward, two-bedded annexe, minor operating theatre, and kitchen on each floor.

* * *

On Friday, 7th March, Mr T. B. Layton will give a demonstration in the theatre of the Royal College of Surgeons of England, Lincoln's Inn Fields, at 2.45. The demonstration will be on "Specimens illustrating the Middle Meatus of the Nose" (Onodi Collection).

A New Endo-Rhinoscope and Rubber Stamp for Case Book

(Modelled on Holmes Salpingoscope) made at the suggestion of Dr P. Watson-Williams and shown at the meeting of the Laryngological Section of the Royal Society of Medicine, 3rd May 1929

This Endo-Rhinoscope affords an excellent *upright* view of the regions under inspection; it gives a very *wide field* and shows the details clearly and in *true colour*

Right Antral discharge seen by Endo-Rhinoscope
(DR P. WATSON-WILLIAMS' CASE)

Price £7, 18s. 6d.

Rubber Stamp, 6/6 extra
