**THE OWL OF MINERVA: CALL FOR PAPERS**

*The Owl of Minerva* will publish a special issue honouring Henry S Harris, on the occasion of his new two-volume study of Hegel's *Phenomenology* entitled *Hegel's Ladder* (Hackett Publishing Co, September 1997).

Papers submitted for consideration must be substantial essays, not book reviews. Priority consideration will be given to those that focus on *Hegel's Ladder* and engage it on significant issues. Papers that discuss Prof Harris' other works, if these discussions are directly relevant to the positions developed in *Hegel's Ladder*, will also be considered. Submissions are limited to forty double-spaced pages; and *The Owl* reserves the right to ask for a shorter version if we judge that this will improve the paper itself or the issue as a whole. Submissions will be judged by a committee selected from *The Owl's* editorial staff, Editorial Advisory Board and Board of Consultants. Please use a format appropriate for blind reviewing, mark the paper as a submission for the Harris Special Issue, and send three copies to: Ardis B Collins, Philosophy Department, Loyola University Chicago, 6525 N Sheridan Rd, Chicago, IL 60626, USA; e-mail: [acollin@luc.edu](mailto:acollin@luc.edu); fax: 773-508-2292. The deadline for submissions is 1 February 1999.
