## Noncanonical Writings and New Testament Interpretation

Craig A. Evans

Cloth, \$19.95

Sound New Testament interpretation depends on familiarity with and understanding of ancient primary sources. In what is sure to become a standard resource for students of NT interpretation, Professor Evans pulls together the essentials of date, language, text and translations, and general bibliography.

The Reverend Dr. Bruce Chilton of Bard College comments: "The publication of Professor Evans's book is an event of first importance for advanced students of the New Testament everywhere.... [This book] shows

today, this axiom was no less true in the ancient Near Eastern world. In *Religion and Culture in Ancient Israel*, Dearman explores this dynamic interplay in the religious practices of Israel. For any student of the living religion of Israel and the culture that it shaped (and by which it was shaped), Dearman offers a cogent and thought-provoking inquiry

## Josephus and the New Testament

Steve Mason

Paper, \$9.95

"There can be no doubt that the best aid for understanding the background of the New Testament is its contemporary, Josephus; and there can now be no doubt that the most careful, most com-

Hooker's *Gospel According to Saint Mark* heralds the reappearance of Black's (formerly Harper's) New Testament Commentary in this country. As the first in a series of replacement or revised volumes—including J. D. G. Dunn, *Galatians*, and C. K. Barrett, *Romans* [rev.]—*Mark* signals a welcome new standard in New Testament commentaries.
