THE LIFE OF GOD

(as Told by Himself)

Franco Ferrucci

Translated by Raymond Rosenthal and Franco Ferrucci

“Exceedingly amusing. . . . A continuous provocation and delight; there isn’t a dull page in it.”

—Kirkus Reviews

“A supreme but imperfect entity, the protagonist of this religiously enlightened and orthodoxically heretical novel is possessed by a raving love for his skewed, unbalanced world. . . . Blessed are the readers, for this tale of God’s long insomnia will keep them happily awake. The muses could never have predicted that the messy, uncontrollable adventures of an oblivious divinity would make such an extraordinary story.”

—Umberto Eco

“Imagine mankind wagging its intellectual tail, inept and essentially innocent even when on the attack, but full of aspiration. Imagine God facing this tail wagger. . . . In *The Life of God*, Mr. Ferrucci imagines God suffering like this over the limitations of human intelligence.”

—Jack Miles, *New York Times Book Review*
