**An International Journal for Philosophy in the Analytic Tradition**

**Editor:** Keith Lehrer, University of Arizona, U.S.A.

**Editorial Assistant:** Vincent Lazara, University of Arizona, U.S.A.

**Board of Consulting Editors:** David Braybrooke, Joseph L. Camp, Jr., L. J. Cohen, James Cornman, Alan Donagan, Keith Donnellan, Mary Hesse, Risto Hilpinen, R. M. Martin, Terence Parsons, Gunther Patzig, A. M. Quinton, Jerome Schneewind, Robert Sleigh, Jr., Judith Thomson.

**Philosophical Studies** fills the urgent and growing need for space devoted to quick publication of timely contributions to analytic philosophy. It emphasizes the rapid exchange of notes and criticism. To provide balance and scope the editors will, on occasion, solicit contributions, comments and elucidations from philosophers whose voices might not otherwise be heard when the spotlight of discussion points in their direction.

**Philosophical Studies** welcomes papers in all areas of analytic philosophy. It recognizes that there are divergent tendencies within the analytic movement, and requires only that contributions represent an application of methods of analysis and clarification of meaning. Papers the content of which falls primarily within the scope of the natural, social or psychological disciplines will be considered only if this content is subordinated to the purposes of philosophical analysis.
