

Contributors—ERRATUM

Helen H. Metzelaar, the author of “Rosa de Vries: A Dutch Diva and Transatlantic Opera Culture” in the May 2014 issue of *Journal of the Society for American Music*, was omitted from the list of contributors. Her entry is as follows:

Helen H. Metzelaar is an affiliate researcher at the University of Amsterdam since her early retirement. She has published widely on gender issues and contributed to the *New Grove Dictionary* and *Die Musik in Geschichte und Gegenwart*. Her book on six Dutch women composers won an honorable mention from the prestigious Dordtse Academie. She is currently preparing a book on the de Vries opera dynasty and a new edition of a Dutch translation of Tosi’s *Osservazioni sopra il canto figurato* (1723).

We regret the oversight.
