

OXFORD LATIN DICTIONARY

Those who have bought fascicles may like to know that when the Dictionary is published in volume form towards the end of 1982 spare sets of revised preliminaries, including addenda and corrigenda, will be available. Copies of these may be obtained free of charge by writing to Mr. B. L. Phillips, Oxford University Press Academic and General Division, Walton Street, Oxford OX2 6DP. But the Press regrets that it cannot provide binding covers or undertake the binding of sets of fascicles.
