The JNAEC is the official publication of the Northeastern Agricultural Economics Council (NAEC). The purpose of the Journal is to foster and disseminate professional thought and literature relating to the economics of agriculture, natural resources and community development. It is published twice a year—one issue is the proceedings of the annual meeting and the other is for refereed contributed papers.

Membership to NAEC is open to all persons having an interest in agricultural economics. Membership dues include subscription to the JNAEC and are \$5.00 per year regular and \$3.00 per year student. All other subscriptions are \$5.00 per year. Single copy prices are \$2.50 per issue.

Address all editorial material to Filmore Bender, Department of Agricultural and Resource Economics, University of Maryland, College Park, MD 20742.
