Utilitas

Editorial Policy

Utilitas is a pioneering interdisciplinary journal of moral and political philosophy, economic theory, jurisprudence and intellectual history. It welcomes articles, discussions, debates, and reviews on contemporary themes in those disciplines in which utilitarianism has made a particular contribution and on all aspects of the development of utilitarian thought (including that of its opponents).

The Journal is supported by the International Society for Utilitarian Studies, which sponsors major conferences, seminars, and other meetings, and makes special offers on books at advantageous rates to members. Individual subscribers to the journal automatically become members of the Society.

Other features of *Utilitas* include special issues or parts of issues on particular themes and individuals.

International Society for Utilitarian Studies

Subscription to *Utilitas* includes membership of the International Society for Utilitarian Studies. The Society, administered from the Bentham Project at University College London, sponsors major conferences, seminars, and other meetings. It aims to provide a forum for scholarly debate and research in the history of utilitarian thought, and its present-day relevance in the fields of ethics, politics, law, economics, and public policy. Members are entitled to a discount on the fees for the Society's conferences and to discounts on volumes in the new authoritative edition of *The Collected Works of Jeremy Bentham*.

For further details visit the ISUS web site at www.ucl.ac.uk/bentham-project/info/isus.htm

For an up-to-date bibliography of writings on Jeremy Bentham visit www.ucl.ac.uk/Bentham-Project/info/bibliog.htm

Utilitas and all other Cambridge journals can be accessed via <http://www.cup.cam.ac.uk> and in North America via <http://www.cup.org>.

This journal issue has been printed on FSC-certified paper and cover board. FSC is an independent, non-governmental, not-for-profit organization established to promote the responsible management of the world's forests. Please see www.fsc.org for information.
