

# FIRST ANNOUNCEMENT

**Fifth International Congress of Protozoology, 26 June–2 July 1977, Lincoln Center Campus of Fordham University, New York City, U.S.A.**

The Program will include: (A) Three major Symposia; (B) Twenty-eight Round-Table Discussions; (C) Contributed Paper and Poster (Demonstration) Sessions for communications that do not fit into any of the Round-Table Discussions.

A. The Symposia are to deal with:

PALEOPROTISTOLOGY  
CHAGAS' DISEASE  
SOCIAL EFFECTS OF PROTOZOAL INFECTIONS

B. The Round-Table Discussions will be grouped into five sections:

TAXONOMY, CYTOLOGY, AND EVOLUTION  
ECOLOGY AND BEHAVIOR OF FREE-LIVING PROTOZOA  
GENETICS AND MORPHOGENESIS  
BIOCHEMISTRY AND PHYSIOLOGY  
PARASITISM AND SYMBIOSIS

Scientists interested in participating in the Congress should write, **before 1 March 1976**, to:

Professor John J. Lee  
Secretary General  
V International Congress of Protozoology  
Department of Biology  
City College  
City University of New York  
Convent Avenue and 138 Street  
New York, New York 10031, U.S.A.

They will then receive the Second Announcement, registration forms, details about housing, as well as information about social activities, entertainment, and tours (including possibilities of post-Congress trips).

## PARASITOLOGY

SUBSCRIPTIONS may be sent to any bookseller or subscription agent or direct to Cambridge University Press, P.O. Box 92, London NW1 2DB. Subscriptions in the U.S.A. and Canada should be sent to Cambridge University Press, 32 East 57th Street, New York, N.Y. 10022. The subscription price of volumes 70 and 71, 1975, is £12.50 net (including postage) for a volume of three parts (US \$37.50 in the U.S.A. and Canada), payable in advance (£25.00 or US \$75.00 per year); separate parts cost £5.50 net or US \$16.50 each (plus postage).

BACK VOLUMES. Vols. 1-39: Inquiries should be addressed to Wm Dawson & Sons Ltd, Cannon House, Folkestone, Kent. Vols. 40 onwards: Quotations for parts still in print may be obtained from the London or New York offices of the Cambridge University Press.

FOR PERMISSION to reproduce material from *Parasitology*, please apply to the London or New York office of Cambridge University Press.

ISI TEAR SERVICE, 325 Chestnut Street, Philadelphia, Pennsylvania 19106, U.S.A. is authorized to supply single copies of separate articles for private use only.

CLAIMS for missing issues can only be considered if made immediately after receipt of the subsequent issue.

ADVERTISING. Details of advertising in *Parasitology* may be obtained from the publisher.

The previous part was published on 22 October 1975
