Arabic Sciences and Philosophy

A Historical Journal

Executive Editor

Roshdi Rashed, *CNRS, Paris, France & University of Tokyo, Japan*

Managing Editor

Ahmed Hasnaoui, *CNRS, Paris, France*

Arabic Sciences and Philosophy (ASP) is an international journal devoted to the Arabic sciences, mathematics and philosophy in the world of Islam between the eighth and eighteenth centuries, in a cross-cultural context. In 2009, the journal extended its scope to include important papers on scientific modernization from the nineteenth century in the Islamic world. Together with original studies on the history of all these fields, *ASP* also offers work on the inter-relations between Arabic and Greek, Indian, Chinese, Latin, Byzantine, Syriac and Hebrew sciences and philosophy. Casting new light on the growth of these disciplines, as well as on the social and ideological context in which this growth took place, *ASP* is essential reading for those interested in these areas.

International Journal of Middle East Studies

Published under the auspices of the Middle East Studies Association of North America

Editor-in-Chief

Akram Khater, *North Carolina State University, USA*

Managing Editor

Jeffrey Culang, *CUNY Graduate Center, USA*

The *International Journal of Middle East Studies* publishes original research on politics, society and culture in the Middle East from the seventh century to the present day. The journal also covers Spain, south-east Europe, Africa, and parts of South Asia and the former Soviet Union for subjects of relevance to Middle Eastern civilization. Particular attention is paid to the history, politics, economics, anthropology, sociology, literature, and cultural studies of the area and to comparative religion, theology, law, and philosophy. Each issue contains approximately 50 pages of detailed book reviews.
