Guiding Principles on Internal Displacement: Annotations

By Walter Kälin

Published jointly with the Brookings Institution Project on Internal Displacement, the *Annotations* clarifies the key aspects and legal antecedents of the Guiding Principles on Internal Displacement. The Guiding Principles was the first comprehensive statement on the rights of the internally displaced and on the role of governments and other entities in protecting such populations.

Studies in Transnational Legal Policy

No. 32\$25 (\$30 for nonmembers)

The World Bank, International Financial Institutions, and the Development of International Law

Edited by Edith Brown Weiss, Andres Rigo Sureda, and Laurence Boisson de Chazournes

The product of a symposium to honor Ibrahim Shihata's long career in international law and economic development, this text provides comprehensive analyses of the development of various international institutions and dispute resolution mechanisms, particularly as they relate to investment issues.
