
ON THE TRIAL OF JESUS

BY

PAUL WINTER

x, 216 pp., *large octavo*, 40 shillings

...l'opera di vivo interesse... L'Autore, insigne storico e filologo, ci permette di conoscere più a fondo la difficile questione del processo di Gesù. *Biblos-Press, Roma.*

Es ist ein Buch, geschrieben mit grosser Liebe zum Thema, ja mit tiefer Ehrfurcht vor der Gestalt Jesu, auch mit dem Bedürfnis nach letzter Wahrhaftigkeit.

Christlich-Jüdisches Forum, Basel.

En el mismo existen puntos de vista nuevos que deben tenerse en cuenta para comprender mejor el texto heterogéneo de la Pasión.

Revista Española de Derecho Canonico, Salamanca.

More meaningful to one already well-grounded in biblical learning, the book is nevertheless readable by the layman who is interested in gaining greater insight into the Scriptures that comes from the understanding of their history and composition.

Christianity Today, Washington.

Alle Menschen, denen das Leben des Nazareners nicht gleichgültig ist, sollten sich früher oder später mit 'On the Trial of Jesus' befassen.

Der Islam, Zürich.

...outstanding for its mastery of the complex data, its acute analysis of the problems, and for the care with which its conclusions are drawn.

The Guardian, Manchester.

...la méthode critique pratiquée par l'auteur paraît d'une efficacité pénétrante.

Revue Historique, Paris.

Hoewel de Schrijver zijn betoog niet vermengt met een geloofsovertuiging, blijft het de lezer niet verborgen, dat Jezus van Nazareth voor hem levend is geworden.

Kerk en Wereld, Assen.

There is a great deal to be learned from this book.

Journal of Biblical Literature, Philadelphia.

...ein wichtiges Buch.

Evangelische Theologie, München.

The production of this entirely new commentary on the Bible is an event of importance in post-war publishing. Since its appearance forty-three years ago, the name *Peake's Commentary* has become synonymous with the essential reference book for Bible study.

This new volume provides all students of the Scriptures with the most recent scholarship in the interpretation of the Bible, derived from archaeology, from the discovery of new manuscripts, and from the more accurate translation of the text. The Editors have had the assistance of a distinguished Advisory Board. Its members, like the sixty-two contributors to the volume, are drawn from Great Britain and America, and are representative of all branches of the Protestant Church.

The *Commentary*, which is based on the text of the *Revised Standard Version* of the Bible, contains a hundred separate articles, including forty special articles supplementing the commentary proper. Sixteen maps in full colour utilise the most accurate and up-to-date information. A fully analytical index provides quick and easy reference.
