The Cambridge History of the Bible

Volume 1: From the Beginnings to Jerome

Edited by P. R. ACKROYD and C. F. EVANS

This volume completes the Cambridge History of the Bible. It shows how the Bible as we know it came into being in the original tongues, how its various component books came to be organized into a Canon and how it was interpreted in the Jewish and early Christian traditions up to the fifth century. With this volume the Cambridge History of the Bible is complete. 90s. net
