

# SOME RR LYRAE VARIABLES WITH BLAŽKO EFFECT

G. H. CHIS and V. URECHE

*University of Cluj, Roumania*

**Abstract.** Observations of some RR Lyrae stars with varying periods and shapes of the light curves were discussed. These are:

TU Com (Ureche, V., 1965)

WY Dra (Chis, D., Chis, G. H., and Mihoc, I. (1974))

SW Psc (Ureche, V. (1971a, b))
