COVER

Where melt occurs in surface snow in summer and nutrients are available, vibrant multi-coloured snow algae communities can develop, such as this example from Léonie Island, close to Adelaide Island off the west coast of the Antarctic Peninsula. Integrating their presence across the western Antarctic Peninsula region, these communities occupy a considerable area, comprise significant biomass and are an important contributor to carbon fixation and the flow of nutrients and organic matter into surrounding terrestrial and marine environments. Editorial Policy. *Antarctic Science* provides a focus for many of the interdisciplinary interests that characterize Antarctic studies. The journal includes both synthesis and data papers, opinion papers, short notes on technical developments and field work, an editorial and book reviews. *Antarctic Science* is a journal that is interesting, original and topical yet rigorous in its treatment of primary scientific data. There is no maximum page length for scientific papers. Authors are required to follow the style set out in 'Instructions for Contributors' accessible either as a pdf at cambridge.org/ans or through <http://mc.manuscriptcentral.com/cup/antsci> where all manuscripts must be submitted.

Ownership. *Antarctic Science* is owned by the charitable company Antarctic Science Ltd (Directors: J.R. Dudeney, J.E. Francis, K. Hendry, T. Jickells, M.R.A. Thomson, P.A. Tyler, D.W.H. Walton) Registered Charity no: 1090581. Registered Office: Antarctic Science Ltd, Mills & Reeve, 112 Hills Road, Cambridge CB2 1BH.

Subscriptions. *Antarctic Science* ISSN 0954-1020, is published bimonthly in February, April, June, August, October and December, six parts form a volume, by Cambridge University Press, University Printing House, Shaftesbury Road, Cambridge CB2 8BS, UK/Cambridge University Press, 1 Liberty Plaza, Floor 20, New York, NY 10006, USA. The subscription price

of volume 34 (2022) is £645 net (USA, Canada and Mexico US\$1251) for institutions electronic only. Orders, which must be accompanied by payment, may be sent to the bookseller, subscription agent or direct to the publisher: Cambridge University Press, Journals Fulfillment Department, UPH, Shaftesbury Road, Cambridge CB2 8BS, UK; or in the USA, Canada and Mexico: Cambridge University Press, Journals Fulfillment Department, 1 Liberty Plaza, Floor 20, New York, NY 10006, USA. EU subscribers (outside the UK) who are not registered for VAT should add VAT at their country's rate. VAT registered subscribers should provide their VAT registration number. Japanese prices for institutions are available from: Kinokuniya Company Ltd., PO Box 55, Chitose, Tokyo 156, Japan.

POSTMASTER: Send address changes to Antarctic Science, Cambridge University Press, 1 Liberty Plaza, Floor 20, New York, NY 10006, USA.
