7th WORLD CONGRESS OF PEDIATRIC CARDIOLOGY & CARDIAC SURGERY

ISTANBUL, TURKEY

Bridge together...

Johns Hopkins
All Children's
Heart Institute
all we do. all for kids.™

At the Johns Hopkins All Children's Heart Institute in St. Petersburg, Florida, our dedicated team provides the highest level of compassionate, family-centered care in a world-class facility. Specialists in cardiac surgery, pediatric cardiology, cardiac anesthesia, critical care and nursing work together to provide excellence in clinical care, education and research, collaborating in these pursuits with colleagues at the Johns Hopkins Children's Center in Baltimore.
