## Corrigendum

**Cite this article:** Singh YT (2020). Status of population dynamics of the Asian wedge clam, *Donax scortum* (Bivalvia: Donacidae): a first report from Asia – CORRIGENDUM. *Journal of the Marine Biological Association of the United Kingdom* **100**, 491–491. <https://doi.org/10.1017/S0025315420000260>

First published online: 13 April 2020

DOI: <https://doi.org/10.1017/S0025315416001053> Published online by Cambridge University Press: 30 August 2016

The author apologises that upon publication a paragraph at the start of page 2 of the article references a 1 year period but listed the wrong end month and should have read as below:

Live *D. scortum* clams were collected at monthly intervals for a period of 1 year from February 2009 to January 2010 from the intertidal sandy beach at Padukere (13°20'51.80"N 74°41'30.92"E) near Udipi town (Fig. 1).
