## **Al-Kitaab fii Ta'allum al-ʿArabiyya** **A Textbook for Arabic: Part Two**

*Kristen Brustad, Mahmoud Al-Batal, and Abbas Al-Tonsi*

**Al-Kitaab fii Ta'allum al-ʿArabiyya, Part Two** continues this communicative, proficiency-oriented language program that teaches Arabic through the development of the various language skills: reading, listening, speaking, writing, and culture. The program is fully integrated with audio-visual media. In Part Two, lessons build on authentic reading passages from which vocabulary and structure are drawn, and students do extensive close reading of texts, using their grammatical skills to construct meaning. Students completing Part Two should reach the threshold of an advanced level of proficiency.
