Promoting Excellence in Peri-Anaesthetic Care Internationally

THE ART OF INSPIRATION

*SIMS is a world
leading medical
manufacturing group,
with companies in
Europe, North America,
South Africa and the
Pacific region, providing
innovative products
to critical care and
community care
professionals
worldwide.*

It takes a certain inspiration to create a world leading range of respiratory care products. Products used by healthcare professionals in more than 90 countries around the world. That's what makes SIMS Portex a world leader in respiratory care. What's more, we remain fanatical about quality. You only have to touch our products to feel the difference that sets us apart. All in all, we've got respiratory care down to a fine art. Isn't that an inspiring thought?
