

Church History
Studies in Christianity and Culture

INSTRUCTIONS FOR CONTRIBUTORS

Send manuscripts and books for review to the editorial office. Manuscripts should run 6,000–11,000 words (or approximately 30–35 pages), not including endnotes, and should be printed double-spaced in 11- or 12-point font; endnotes must be printed double-spaced on separate pages following the text. The editors request an electronic submission (either by email attachment or by 3½" disk or cd-rom sent to the address below) of the following items:

(1) the manuscript (in order to protect the author's anonymity during the review process, the author's name should appear only on the title page of the essay);

(2) a 200-word abstract (this is used during the review process and if *Church History* publishes the essay, the abstract may be included on the *Church History* web page at www.churchhistory.org).

Please see www.churchhistory.org/churchhistoryguidelines.html for further manuscript submission guidelines. The editors will consider submissions of 70–90 pages for publication as "extended articles." Persons wishing to submit such manuscripts should query before sending them.

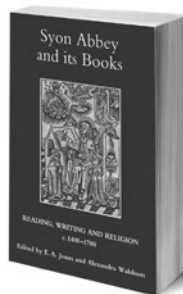

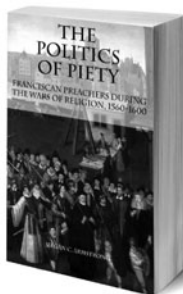

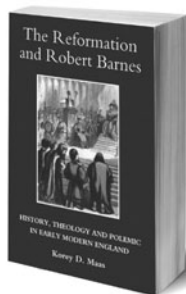

Please address any questions to:
Monica Reed, senior assistant to the editors

Discover America's First Bible Commentary

BIBLIA AMERICANA, VOL. 1
GENESIS

Cotton Mather; Reiner Smolinski, editor
9780801039003 • 1,400 pp. • \$250.00c

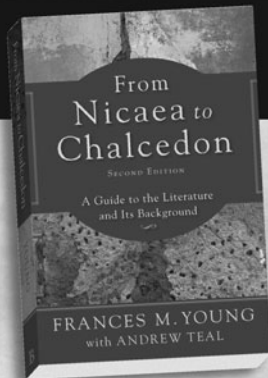

Prepared by an international team of experts in early American studies, Cotton Mather's *Biblia Americana* will consist of ten volumes published over the course of a decade. This first volume introduces the project and offers Mather's comments on Genesis.

"The publication of the *Biblia Americana* will vault Mather into a new frame of intellectual reference, placing him firmly within the Atlantic commentarial tradition and positioning him alongside such celebrated synoptic commentators

on Scripture as Matthew Poole and Matthew Henry. The range and erudition evident in Mather's exegesis of the Bible promise to undermine stereotypes that fixate on his reflections triggered by the witchcraft trials and to demonstrate the astonishing breadth of his knowledge documented in the commentary. The exegetical dimension of Mather's professional life has been overlooked for too long. This edition will correct that oversight and open a new chapter in Mather studies."—**Stephen J. Stein**, Indiana University

Reforming the World

The Creation of America's Moral Empire

Ian Tyrrell

"Tyrrell, one of the leading figures in the field of transnational history, suggests we best understand the story of the United States if it is placed in an international context. With spectacular research, he recasts the way we look at U.S. history, by placing definitions of nationhood in a transnational context and by making the culture of moral reform the fount of the foreign policy of the era."

Introducing the all-new, expanded Luther's Works: American Edition

Concordia Publishing House is pleased to announce an expansion of Luther's Works: American Edition. The new volumes of the classic series are translated into clear, accessible, modern English, making them ideal for undergraduate use. In addition, the introductions and footnotes make significant academic contributions and thus are an important resource for historical, biblical, and theological graduate-level research. The new volumes present texts that have been the focus of recent scholarship, most of which have never before appeared in English. Read what scholars are saying:

"Among the greatest and most prolific theologians of Christian history, Martin Luther still speaks to us today. This twenty-volume new series splendidly complements

its fifty-five-volume predecessor and offers a treasure-trove of writings never before available in English, writings crucial to understanding Luther's life, thought, and profound influence throughout the centuries. Offering readable, yet reliable translations, well introduced and appropriately annotated, this new series should delight scholars as well as engage laity and clergy."

Mark U. Edwards, Jr., Academic Dean, Harvard Divinity School

"Concordia Publishing House is providing a tremendous service to historians, theologians, pastors, and students by producing these new translations of Luther's works. The editors have chosen key texts for illustrating Luther's life and thought, from his earliest works to the biographies written soon after his death. The volumes devoted to Luther's sermons, lectures, and disputations are especially welcome, because they will give English readers a more complete picture of Luther the preacher and professor."

Amy Nelson Burnett, Professor of History, University of Nebraska—Lincoln

Become a subscriber and save.

Volume 69 (John 17–20) is now available • 15-5169LWC
Volume 58 (*Sermons V*) will be available late 2010 • 15-5158LWC

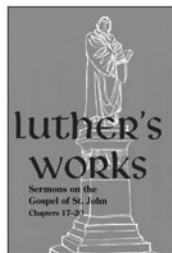

Each volume is currently priced at \$49.99, but as a subscriber you pay only \$34.99 plus shipping, a 30% saving. Volumes will release once a year and will be shipped to you automatically.

Features of Luther's Works: American Edition

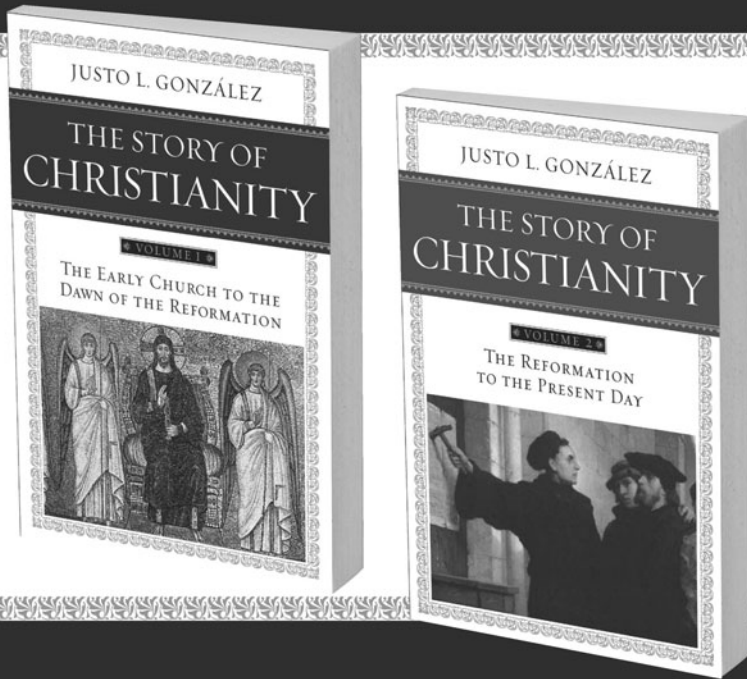

- Makes available a vast number of writings not previously available in English translation.
- Clear English translation is accessible for undergraduate use.
- Edited according to the highest academic standards with introductions and notes that offer readers helpful guides to the context and content of the reformer's writings.
- Significant genres of Luther's writings are expanded, such as sermons, prefaces, disputations, and biblical interpretation.
- Series includes texts that have been the focus of recent scholarly interest.
- Translation is fully cross-referenced to the authoritative Weimar Edition.
- Indexes for Scripture citation, persons, and subjects are included.
