The Canadian Political Science Association was founded in 1913, and reorganised in 1929. The object of the Association is to encourage the investigation and study of economic, political and social problems in Canada. The Association does not assume a partisan position. All shades of political and economic opinion are represented in its membership.

Annual Subscription \$3.00

Life Membership - \$50.00

The Association welcomes as members all who are interested in its objects. Members receive a copy of THE CANADIAN JOURNAL OF ECONOMICS AND POLITICAL SCIENCE, published quarterly for the Association by the University of Toronto Press, and also a copy of any other publications which the Association may publish during the year.

The Association holds each year, usually for two days in May, a meeting at which papers are read and discussed. These papers have been published and can be obtained from the Association. A leaflet describing the contents of these volumes and the prices will be mailed on request.

Communications, including applications for membership, should be addressed to the Secretary-Treasurer
