Raptor Research Foundation Inc.
Funds for Raptor Research

Leslie Brown Memorial Grant, 1993

In memory of one of the most inspired and productive raptor biologists of recent decades, the Raptor Research Foundation announces the availability of this grant, for up to \$1000, to provide financial assistance to promote the research and/or the dissemination of information on birds of prey.

Applicants must send a resumé, specific study objectives, an account of how funds will be spent, and a statement indicating how the proposed work would relate to other work by the applicant and to other sources of funds. Proposals concerning African raptors will receive highest priority among proposals of otherwise equal merit.

A complete application must be received by September 15. Proposals, donations, and enquiries about tax-exempt contributions to the fund should be sent to:
