

# Mass Atrocity, Collective Memory & the Law

Mark Osiel, Professor of Law, University of Iowa

"... a much-needed book for our times."

Michael Marrus, University of Toronto

"...a remarkable book ... the best book ever written about how states construct collective memories of large-scale state brutality, about how law can be used to teach valuable lessons to future generations, and finally about the perils and ironies inherent in such uses of the law."

Robert W. Gordon, Yale Law School

"a remarkably important book...the first to draw out the legal implications of historical and contemporary responses to mass atrocity ... Combining admirable moral seriousness with acute theoretical insight, Osiel challenges us to rethink what law is and can be ... a breath of fresh air."

Austin Sarat, Amherst College

"...a learned, clear-sighted, and powerful defense of public trials for those charged with war crimes or political brutality. Drawing upon history, social theory, and legal philosophy, Osiel demonstrates how the political trial can help reconstruct a liberal community after devastating violence... a timely and persuasive work based on a great range of recent cases."

Charles S. Maier, Harvard University

# Ethics

an international journal of social,  
political, and legal philosophy

John Deigh, Editor

Published quarterly by The University of Chicago Press

Founded in 1890, *Ethics* is an international journal of moral, political, and legal philosophy. It presents scholarly work from a variety of disciplines and intellectual perspectives, including philosophy, social and political theory, law, and economics. Taking a cross-cutting approach, the *Journal* aims to bring theory and its applications to bear on contemporary moral issues. In addition, *Ethics* offers about 200 review essays, survey articles, book reviews, and book notes per volume.

**Regular one-year subscription rates/membership rates:** Institutions \$90.00, Individuals \$35.00; Students \$25.00 (with copy of valid ID). Outside USA, add \$6.00 for postage. Visa and MasterCard payments accepted. To order, send check, purchase order, or complete credit card information to the address below.

*Are you concerned with employment rights as an employee, employer, attorney, labor negotiator, academic, human resources professional, or student? If you are, the *Journal of Individual Employment Rights* is meant for you.*

Journal of  
**Individual Employment Rights**  
**Kurt H. Decker, Esq. and Dr. Harry Kershen, Editors**

**Editorial Intent**

One of the most rapidly evolving areas of employment law is that of individual employment rights. Employees are asserting newly found rights against their employers arising out of at-will employment erosion, binding commitments present in handbooks and employment policies, public policy violations, privacy intrusions, and so forth.

Individual employment rights is an area of employment law that has no clearly defined boundaries. The

sources of these rights include federal and state constitutions, a multitude of employment statutes, and the common law. Its subject matter is equally varied, including such diverse matters as record keeping and disclosure, health and safety, fair employment practices, alcohol and drug abuse, AIDS, medical screening, employee surveillance, wage and hour standards, union-management relations, employment contracts, dispute contracts, dispute resolution, etc.

The *Journal of Individual Employment Rights'* intent is to serve as a central source for addressing and researching these newly asserted rights as they are debated and developed by courts, academicians, legal practitioners, and human resource professionals. Its emphasis is on the theoretical as well as the practical by serving as a forum for the interchange of ideas and information for all individuals concerned with this developing area.

## What's your definition of a quality journal?

**jour.nal** *n* [ME, service book containing the day hours, fr. MF, fr. *journal*, adj., daily, fr. L *diurnalis*, fr. *diurnus* of the day, fr. *dies* day—more at DEITY] (15c) **1 a:** a record of current transactions **b:** an account of day-to-day events **c:** a record of experiences, ideas, or reflections kept regularly for private use **d:** a record of transactions kept by a deliberative or legislative body **2 a:** a daily newspaper **b:** a periodical dealing esp. with matters of current interest

Different factors contribute to the impact and quality of a journal, but a significant part of what makes a journal essential is its ongoing nature. It's about continuity. It's about currency. It's a record of the latest ideas and methods, and a chronicle of how they are revised and redefined.

And if you take a moment now to subscribe, you'll receive leading-edge sociolegal scholarship and commentary as soon as they are published. Plus you'll be building a personal collection to which you'll refer year after year. Don't miss an issue — order your subscription today.
