

NATIONALITIES PAPERS

is the only journal in the Western World which deals exclusively with all non-Russian nationalities of the USSR and national minorities in East European countries. The problems and importance of over 120 million people now, more than ever before, should be acknowledged and understood within the context of Soviet and East European studies. The fate of the Balts, Ukrainians, Jews, Caucasians, and the peoples of Central Asia is too important to be overlooked.

Nationalities Papers is published semi-annually by the Association for the Study of the Nationalities (USSR and Eastern Europe) Inc.

The editors accept for publication scholarly articles, review articles and documents in the areas of social sciences and humanities in English, French and German.

Correspondence concerning editorial and advertising matters should be addressed to Professor Orest Subtelny, Editor, *Nationalities Papers*, 233 McLaughlin College, York University, North York, Ontario M3J 1P3, Canada.
