

## INFORMATION FOR CONTRIBUTORS

*Business and Politics* welcomes original articles, cases, and commentaries that are not being considered by another journal for publication. Articles will be evaluated by the Editors to establish whether they fit with the journal's objectives and will then be reviewed by anonymous referees. Authors can expect to be informed of the Editors' decision within three months of submission. Manuscripts should be submitted to any of the three regional offices listed below.

**Submissions:** All papers should be submitted in triplicate. An abstract should be included on a separate page. We encourage authors to also send a copy of their manuscript in electronic form, either by e-mail or on a 3.5 inch floppy disk. Where possible, the file should be saved in the 'Word for Windows' format.

**Presentation:** Manuscripts should be double spaced throughout and single-sided. Please allow for generous margins and number all pages consecutively. The author should retain a copy, as submitted manuscripts cannot be returned. All papers should include a word count. Full names of the author(s) should be given, an address for correspondence, and where possible a contact telephone number, facsimile number, and e-mail address. Current and recent academic and professional affiliations should be supplied, together with a list of major publications (with dates and name of publisher) and forthcoming books.

**Footnotes.** Please use in-text references and footnotes. In the manuscript's body cite a published source in a footnote that shows the author's last name and the date, adding page numbers when quoting from or referring to a particular passage. Footnotes may include a brief comment that helps the reader to understand the source's value and viewpoint or commentary on an issue raised in the paper. Papers should also contain a reference list with the complete facts of publication or availability for each source cited, using the author-date form. In the reference list show sources primarily in alphabetical order by the first author's surname and secondarily in chronological order with the earliest date first. Provide first names (instead of initials) of authors when available. A style sheet is available from the *Business and Politics* editorial office giving details of formats for notes and references.

For questions of style not answered here, please refer to *The Chicago Manual of Style*, 14<sup>th</sup> ed. (Chicago: University of Chicago Press, 1993), or contact the BAP editorial office.

**Tables and figures:** should be prepared on separate sheets using originals where possible; they should not be included within the text. The author(s) should indicate clearly in the margin of the paper where tables and figures are to be inserted. Each table and figure should be numbered consecutively in Arabic numerals with an appropriate caption (e.g. Table 1, Table 2; Figure 1, Figure 2, and so on). Permission to reproduce copyright material must be obtained by the author(s) prior to submission and any acknowledgements should be included either in the text or the caption as appropriate. A camera ready copy of any tables and figures should be submitted in addition to those attached to the manuscripts.

**Proofs:** Authors are expected to correct and return proofs of accepted articles within 48 hours of receipt.

**Offprints:** Authors are entitled to 50 free offprints of their article and a copy of the issue in which their article appears. Offprints may take 3–4 weeks to deliver after publication.

**Copyright:** It is a condition of publication that authors vest copyright in their articles, including abstracts, in Taylor & Francis Ltd. This enables us to ensure full copyright protection and to disseminate the article, and the journal, to the widest possible readership in print and electronic formats as appropriate. Authors may, of course, use the article elsewhere *after* publication providing that prior permission is obtained from Taylor & Francis Ltd. Authors are themselves responsible for obtaining permission to reproduce copyright material from other sources.
