## SYMPOSIUM ON INSECT-PLANT RELATIONSHIPS

The 8th International Symposium on Insect-plant Relationships will be held on 9–13 March 1992 at Wageningen, The Netherlands.

Topics to be discussed will include:

- Hostplant Selection
- Insect-plant Communities
- Plant Defenses
- Multitrophic Interactions
- Genetics and Evolution
- Plant Resistance

In addition to invited papers the programme will include submitted oral and poster presentations. Proceedings of the meeting will be published before the end of the year.
