<i>Associate Treasurer:</i>	D. G. TACON	School of Mathematics, University of New South Wales, Kensington, N.S.W. 2033
<i>Membership subscriptions</i> (for 1986):	Ordinary members: New ordinary members: Reciprocal members: Reduced rate members: Sustaining members: Institutional members:	A\$50 (or \$45 if paid before 31 December 1985) A\$25 A\$25 A\$10 A\$100 (or \$90 if paid before 31 December 1985) A\$435 (this includes all publications)

Reciprocity agreements: Such agreements have been made with a number of other mathematical societies. Under the agreements members of the other societies who are not normally resident in Australia may join the Australian Mathematical Society at half the current rates.

Membership and correspondence: Applications for membership, notice of change of address or title or position, and other correspondence, except as noted below, should be sent to the Secretary. Member's subscriptions and correspondence related to accounts should be sent to the Associate Treasurer. Correspondence about the distribution of the Society's GAZETTE, JOURNAL, BULLETIN, and MATHEMATICAL SCIENTIST, and orders for back numbers, should be sent to the Treasurer.

Members of the Society receive copies of the GAZETTE free, and may subscribe to any of the Society's research publications, the JOURNAL (Series A) for A\$23, the JOURNAL (Series B) for A\$16, the BULLETIN for A\$20 and the MATHEMATICAL SCIENTIST for A\$10 (for the year 1986). For reduced rate members the subscription rates are half those quoted.

OTHER PUBLICATIONS OF THE SOCIETY

The *JOURNAL SERIES B*. This series contains papers on applied mathematics. It is published in volumes comprising four parts, starting with Volume XIX Part 1, 1975. Four parts will be published in 1986, the price to non-members is A\$96.00 (US\$85.00) for 1986. Typescripts for publication should be sent to the Editor, Professor E. O. TUCK, Department of Applied Mathematics, University of Adelaide, Adelaide, S. A. 5001, Australia.

The *BULLETIN* of the Australian Mathematical Society began publication in 1969. It aims at quick publication of original research in all branches of mathematics. Two volumes of three parts are published annually. The price to non-members is A\$145.00 (US\$128.00) for 1986. Each paper for publication should include an abstract and a 1980 Mathematics Subject Classification. Three copies of the typescript should be sent to the Editor, Dr S. OATES - WILLIAMS, Department of Mathematics, University of Queensland, St. Lucia, Queensland 4067, Australia.

The *MATHEMATICAL SCIENTIST* (CSIRO/Australian Mathematical Society) began publication in 1976. It publishes papers of general interest and papers of interest to scientists involved in the application of mathematics. One volume of two parts will be published in 1986. The price to non-members is A\$15.00 (US\$13.00) for 1986. Typescripts for publication should be sent to the Editor, Professor B. C. RENNIE, Mathematics Department, James Cook University, Post Office James Cook, Queensland 4811, Australia.

The *GAZETTE* started publication in 1974 and carries news items, mathematical articles of general interest, and articles on tertiary mathematics teaching. The price to non-members is A\$29.00 (US\$25.00) for 1986. Typescripts for publication should be sent to the Editor, Dr. G. L. COHEN, School of Mathematical Sciences, The New South Wales Institute of Technology, Broadway, N.S.W. 2007, Australia.
