FPS TOURS

The second FPS East African tour leaves for Uganda and Kenya on January 28, under the leadership of Sir Hugh Elliott with Leslie Brown of Nairobi.

For June 1967 we have planned our first tour to Iceland and Greenland, and for 1968 there are two tours: our first tour to India in February, which will include the Gir Forest, the Kanha and Corbett National Parks and the famous Kaziranga rhino sanctuary in Assam; and our third tour to East Africa, also in February, which will be in Kenya with the emphasis mainly on birds. These are all in the sterling area. Details are being sent to all members.

FPS MEETINGS

There will be a meeting of the Society on **January 26** at which three new films in the Society's Film Library will be shown: "To Catch a Rhino", and "Lake Wilderness", both about wildlife in South Africa, and "Escape to Samburu" about the splendid wildlife reserve in northern Kenya. The meeting will be held in the new meeting room of the London Zoological Society, Regent's Park, at 5.30 p.m.

ANNUAL GENERAL MEETING

The Annual General Meeting of the Society will be held on May 25. The speaker will be our former Council member Guy Mountfort, who has recently returned from an expedition to Pakistan, on "Conservation in Pakistan" illustrated by slides.

A LEGACY

The FPS has received a legacy of £799 from the estate of Mr Herbert Stevens, of Tring, Hertfordshire, and wishes to record its gratitude.
