

*ERRATA*

THE TOXICITY OF METHALLYL CHLORIDE AND METHYL BROMIDE  
TOWARDS WHITE RATS

By N. VAN TIEL, 46, No. 2, p. 217

*p. 219, column 1, lines 9–11 should read:*

“The effect of the several gassings upon those rats which survived was studied during and after treatment.”

*p. 220, column 1, lines 12–16 should read:*

“This rapid growth rate diminished the differences between the average body weights of the treated and untreated rats.”
