*Classic literature is always modern*

## THE LOEB CLASSICAL LIBRARY

THE great literature of the Greeks and Romans has remained alive throughout the centuries because of the deeply satisfying pleasure it has given to each new generation of readers. The *Odyssey* of Homer, the poems of Ovid, the philosophy of Plato, the adventures of Aeneas — these are old friends of the classroom. But many other books, by both familiar and less well-known authors, provide reading as stimulating today as it was two thousand years ago. The witty dialogues of Lucian, the brilliant comedies of Aristophanes, the travels of Strabo, and the botanical discoveries of Theophrastus, founder of modern botany, are only samples of the wide range of subjects included in the LOEB CLASSICAL LIBRARY of over 360 titles.

In the LOEB CLASSICAL LIBRARY the original Greek or Latin text is printed on left-hand pages with a line-for-line translation on facing pages. Write for a descriptive catalogue. The price is uniformly \$4.00 a volume.
