

GEORGE WHITEFIELD

Wayfaring Witness

Stuart C. Henry

A scholarly yet readable biography of the controversial 18th century evangelist who was one of the most important figures in America's Great Awakening. George Whitefield, British by birth, came to America seven times and is buried at Newburyport, Massachusetts. This is an enthralling, colorful account of a man who was called both devil and saint, who rose from obscurity to international prominence. \$3.75

UNDER THE STEEPLE

Dorothy and Gabriel Fackre

This book reveals the church in terms of its common-interest groups—or *clans*—who characterize it and perpetuate its life. These clans perform the fragmentary activities of the church such as the pulpit, classroom, communion table, fellowship hall, or scoutroom. All church members will better understand the joys and sorrows of parish life after reading this concise explanation of the church. \$2.00

UNDERSTANDING GRIEF

Edgar N. Jackson

This book aids the minister and counselor in discovering new ways to help the bereaved make the adjustment to environment safely and creatively. By examining the roots, dynamics, and treatment of grief, Mr. Jackson shows *how* the grief-stricken can be restored to useful living. "This is a badly needed book."—Dr. Wayne Oates, Professor of Psychology of Religion, Southern Baptist Theological Seminary. \$3.50

"A thorough and illuminating study."

—ROLAND H. BAINTON, author of *Yale and the Ministry*

The Great Awakening in New England

By EDWIN SCOTT GAUSTAD

• A complete and detailed study of revivalism in the American colonies in the mid-1700's. Never before has this particular epoch of our religious life been so thoroughly researched from the sociological, theological, and historical points of view. In **THE GREAT AWAKENING IN NEW ENGLAND**, Dean Gaustad demonstrates, in the light of today's tremendous interest in revivalism, that the spiritual upheaval in New England was "the most significant cultural phenomenon in American colonial history."

• "A distinguished piece of scholarship which needed to be done, and will not need to be done again in our lifetime."—WILLIAM W. SWEET, author of *The Story of Religion in America*. \$3.00

"Walter Rauschenbusch was the greatest single personal influence on the life and thought of the American church in fifty years."—HENRY PITNEY VAN DUSEN.

A Rauschenbusch Reader

Compiled by BENSON Y. LANDIS

With an interpretation of the career of
Walter Rauschenbusch by
Harry Emerson Fosdick

• Though constantly quoted and referred to, the works of Walter Rauschenbusch are all out of print today. In this new volume, Benson Landis has collected and culled Rauschenbusch's most pertinent passages in the light of today's interest, and Dr. Fosdick has assessed his permanent position from the vantage point of a vastly changed era. The collection includes many of Rauschenbusch's remarkable addresses, much of his social thought, and his memorable prayers and collects.

• "The real founder of social Christianity in this country . . . its most brilliant and generally satisfying exponent to the present day."—REINHOLD NIEBUHR. \$3.00
