In Pozas-Loyo et al. (2022), a spelling error occurred in the title of the original publication. The article was incorrectly published as, “When Lore Leads to More: Constitutional Amendments and Interpretation in Mexico 1917-2020”. The correct title should read, “When More Leads to More: Constitutional Amendments and Interpretation in Mexico 1917-2020.” The original publication has been updated to reflect this change.

The authors apologize for this error.
