

# Animal Health Research Reviews

## Contents

Erratum .....	iv
Preface	
<i>Gerald E. Dubamel &amp; Claes Fellström</i> .....	1
Organizing Committee/Participants .....	2
<b>Pathology and Basic Research</b>	
Comparative pathology and pathogenesis of naturally acquired and experimentally induced colonic spirochetosis	
<i>Gerald E. Dubamel</i> .....	3
The search for <i>Brachyspira</i> outer membrane proteins that interact with the host	
<i>Darren J. Trott, David P. Alt, Richard L. Zuerner, Michael J. Wannemuehler &amp; Thaddeus B. Stanton</i> .....	19
<b>Spirochetal Colitis in Pigs</b>	
Porcine enteric spirochete infections in the UK: surveillance data and preliminary investigation of atypical isolates	
<i>J. R. Thomson, W. J. Smith, B. P. Murray, D. Murray, J. E. Dick &amp; K. J. Sumption</i> .....	31
The use of culture, pooled samples and PCR for identification of herds infected with <i>Brachyspira hyodysenteriae</i>	
<i>Claes Fellström, Ulla Zimmerman, Anna Aspan &amp; Anders Gunnarsson</i> .....	37
Serologic detection of <i>Brachyspira (Serpulina) hyodysenteriae</i> infections	
<i>T. La &amp; D. J. Hampson</i> .....	45
Eradication of endemic <i>Brachyspira pilosicoli</i> infection from a farrowing herd: a case report	
<i>M. Fossi, M. Heinonen, T. Pohjanvirta, S. Pelkonen &amp; O. A. T. Peltoniemi</i> .....	53
Susceptibility to pleuromutilins in <i>Brachyspira (Serpulina) hyodysenteriae</i>	
<i>M. Karlsson, A. Gunnarsson &amp; A. Franklin</i> .....	59
Minimal prophylactic concentration of dietary zinc compounds in a mouse model of swine dysentery	
<i>Peng Zhang, Michael P. Carlson, Norman R. Schneider &amp; Gerald E. Duhamel</i> .....	67

**Spirochetal Colitis in Dogs**Classification of *Brachyspira* spp. isolated from Swedish dogs*Claes Fellström, Bertil Pettersson, Ulla Zimmerman, Anders Gunnarsson and**Ricardo Feinstein* ..... 75**Spirochetal Colitis in Birds**

Intestinal spirochete infections of chickens: a review of disease associations, epidemiology and control

*C. P. Stephens & D. J. Hampson* ..... 83*Brachyspira* spp. (*Serpulina* spp.) in birds: a review and results from a study of Swedish game birds*Désirée S. Jansson, Caroline Bröjer, Dolores Gavier-Widén, Anders Gunnarsson &**Claes Fellström* ..... 93**Colonic Spirochetosis in Humans**Human intestinal spirochetosis: *Brachyspira aalborgi* and/or *Brachyspira pilosicoli*?*Andrew S. J. Mikosza & David J. Hampson* ..... 101

Human intestinal spirochetosis diagnosed with colonoscopy and analysis of partial 16S rDNA sequences of involved spirochetes

*Wolfgang Kraatz, Ulf Thunberg, Bertil Pettersson & Claes Fellström* ..... 111

The prevalence of human intestinal spirochetosis in Norway

*Christian F. Lindboe* ..... 117**Erratum**

DOI: 10.1079/AHRR200130

Page 73 of Volume 1(2) 2000, the date of acceptance for the paper by J. D. Dubreuil *et al.* should read as February 21 2001, not August 24 2000.
