Fulgencio Batista: From Revolutionary to Strongman
VOLUME 1

Frank Argote-Freyre

432 pages
19 b&w photographs
7 b&w illustrations
Cloth \$29.95
0-8135-3701-0

In this book, Frank Argote-Freyre describes Batista's rise to power as part of a revolutionary movement and the intrigues and dangers that surrounded him. Argote-Freyre moves beyond simplistic caricatures to uncover the real man—one with strengths and weaknesses and with a career marked by accomplishments as well as failures.

This volume focuses on Batista's role as a revolutionary leader from 1933 to 1934 and his image as a "strongman". Argote-Freyre uses Batista as an interpretive prism to review an entire era. Bringing together global and local events, he considers the significance and relationship of the worldwide economic depression, the beginnings of World War II, and in Cuba, the Revolution of 1933, the expansion of the middle class, and the gradual development of democratic institutions.

Paperback:
ISBN 1-57230-909-1
Cat. #3J0909, \$60.00
Hardcover:
ISBN 1-59385-269-X
Cat. #3J5269, \$95.00

“This book is suffused with Kent’s passion for and deep knowledge of Latin America, born out of his 30 years of work, research, and travel in the area. It covers an immense range in terms of both the regions and the topics addressed, making it an excellent teaching text and reference....This is a book many of us will want on our shelves as a source for those pieces of information so often needed in our research but rarely at our fingertips.”

—Anthony Bebbington

“This is a book to make one think—about how regions, places, people, and landscapes take shape and how they change. In a skillful blending of thematic chapters and regional vignettes, Kent demonstrates mastery of a huge bibliographic base, and also a personal, intimate knowledge of the complex macro-region that is Latin America. This is an innovative, up-to-date text that will be warmly welcomed by those who teach geography and Latin American studies.”

—David J. Robinson

This comprehensive text introduces key geographical concepts while providing an incisive, timely, and highly informative primer on Latin America. Thematic chapters trace the development of the region from the pre-Hispanic era to the present, while regional chapters reveal the diversity of its constituent people and places. Coverage includes cultural history; environment and physical geography; land use, agriculture, and urbanization; social and economic processes; and the Latin American diaspora. Enhancing the utility of the text are quick-reference tables and illustrative vignettes, over 160 photographs and maps, and suggestions for further reading at the end of each chapter.

The Inordinate Eye

New World Baroque and Latin American Fiction

LOIS PARKINSON ZAMORA

"*The Inordinate Eye* benefits from the broad, synthetic sweep of Zamora's interartistic argument, considering both verbal and visual representation in Latin America from pre-Columbian imagery to Rivera, García Márquez, and Kahlo. Her view allows for a nonbinary vision of relations between imposed European cultures and American recuperation and resistance through the Baroque, New World Baroque, and Neobaroque. She advocates seeing with an 'inordinate eye'—one not bound by rational categories alone."—Margaret Greer, Duke University

LATIN AMERICAN PERSPECTIVES

A Journal on Capitalism and Socialism

Managing Editor
Ronald H. Chilcote
*University of California,
Riverside*

Join a forum for discussion and debate on the political economy of capitalism, imperialism, and socialism in the Americas. A theoretical and scholarly journal, *Latin American Perspectives* provides you with an in-depth look from participants and scholars throughout the Americas, with issues frequently focusing on a single problem, nation, or region.

LAP offers a vital multidisciplinary view of the powerful forces shaping the Americas, such as:

- Economics – and the study of the moral, political and social desirability of economic policies
- Political Science – and the patterns of social action that underlie the operation of nations, the competition for power, and the conduct and misconduct of governments
- International Relations – particularly as they affect the nationalist movements and internal problems of Latin American countries
- Philosophy – theoretical and applied to the hard realities of developing nations
- History – a critical view, with frequent inside views of history in the making
- Geography – the environmental condition, ecology, and exploitation of resources
- Sociology – organized groups, social institutions, and the new social movements, including feminism, ecology, and urban and rural labor
- Anthropology – the culture, ethnicity, and resistance of peoples of the region
- Literature – the personal poetic comments of activists and revolutionary scholars

Death and the Idea of Mexico

BY CLAUDIO LOMNITZ

Death and the Idea of Mexico is the first social, cultural, and political history of death in a nation that has made death its tutelary sign. Examining the history of death and of the death sign from the sixteenth-century holocaust to contemporary Mexican-American identity politics, anthropologist Claudio Lomnitz's innovative study marks a turning point in understanding Mexico's rich and unique use of death imagery. Based on a wide range of sources—from missionary testimonies to newspaper cartoons, from masterpieces of artistic vanguards to accounts of public executions and political assassinations—this book moves beyond the limited methodology of traditional historiographies of death to probe the depths of a people and country whose fearless acquaintance with death shapes the very terms of its social compact.

LIBERTY FOR LATIN AMERICA

How to Undo Five Hundred Years of State Oppression

By **ALVARO VARGAS LLOSA**

Chronicling its history of foreign conquests, populist uprisings, military coups, and financial disasters, and examining its current economic policy and recent attempts at liberalization, Latin America's foremost political journalist makes a brilliant argument for real reform in the continent, offering hope and insight for all those who care for the future of this troubled region.

“This volume makes an important contribution to the present debate on the causes of Latin America’s poor economic and social performance.”

—ERNESTO ZEDILLO, former President of Mexico

“This is an intriguing manifesto, passionately argued.”

—SAMUEL DILLON, Pulitzer Prize-winning journalist and former Mexico City Bureau Chief for *The New York Times*

“The brilliant Peruvian writer and journalist, Alvaro Vargas Llosa, relates the immense damage caused by the economic nationalism that has dominated Latin America since the Second World War.”

—CARLOS BALL, *El Nuevo Herald*

“A thoughtful analysis of what has impeded Latin America’s progress and what needs to be done. It is well worth reading.”

Instructions to Authors: See *LARR* home page for submission information (<http://larr.lanic.utexas.edu/>). Address all correspondence to the Executive Editor, *Latin American Research Review*, *LARR* Editorial Office, 1 University Station, D0800, Austin, TX 78712-0331. Manuscripts should be unpublished in any language and should not be under consideration for publication by any other journal. Please submit two dark, clear copies of your manuscript on 8 1/2" x 11" paper. All material should be typed double-spaced, with notes separately at the end of the manuscript. Manuscripts should not exceed 10,000 words, including references, notes and tables/figures. Please provide a word count including footnotes, endnotes and references. Papers that significantly exceed the 10,000-word limit will not be considered for review. Tables and figurative material should be kept to a minimum. Each page should be counted as the equivalent of 250 words to be included in the overall word count. Include an abstract of not more than 250 words. For all matters of style, especially format for notes and bibliographies, please consult the latest edition of *The Chicago Manual of Style* (University of Chicago Press).

LARR is published three times a year, Spring/Summer/Fall by the University of Texas Press. All views or conclusions are those of the authors of the articles and not necessarily those of the editors, the University of Texas Press, The University of Texas at Austin, or The University of Texas System.

The LATIN AMERICAN RESEARCH REVIEW is the official journal of the Latin American Studies Association and is published to achieve greater and more systematic communication among individuals, institutions, and organizations concerned with scholarly studies and knowledge production relating to Latin America.

The LATIN AMERICAN RESEARCH REVIEW was founded with the support of contributions from a number of sponsoring institutions acknowledged in LARR in past issues, and from a supplementary grant from the Andrew W. Mellon Foundation (for LARR-on-Line).

Membership in the Latin American Studies Association includes a subscription to the LATIN AMERICAN RESEARCH REVIEW. Dues for calendar year 2004 and three-year rates are listed below. Checks for membership should be made payable to LASA and sent to LASA, 946 William Pitt Union, University of Pittsburgh, Pittsburgh, PA 15260. Payment may be in the form of a check in U.S. dollars drawn on a U.S. bank, a money order in U.S. dollars, a UNESCO coupon, or a traveler's check in U.S. dollars *with signatures on both lines* made out to LASA. LASA also accepts Visa and MasterCard. Telephone LASA (412) 648-7929; Fax (412) 624-7145; E-mail lasa@pitt.edu
