

The JOURNAL invites submission of original scholarly work in mathematical logic and its applications.

The editors prefer electronic submissions. The preferred formats for electronic submissions are PDF or postscript, but other formats, such as Word documents, will be accommodated as best as possible. The author should keep a complete copy of the submitted manuscript and the electronic files from which it was created. After the paper is accepted in its final form, an electronic copy will be appreciated and will advance the final publication date of the paper. It is preferred that papers be prepared in L^AT_EX or other variant of T_EX, especially for manuscripts that include extensive symbolic or mathematical notation. The ASL L^AT_EX style files are available at <http://www.aslonline.org>, but their use is optional. Fifty offprints of each article are supplied at no charge; additional offprints may be purchased if desired.

Volumes 1 through 73 of the JOURNAL are available online in the JSTOR database.

Reviews of articles and books in logic which in the past were published in the JOURNAL have been moved to the BULLETIN OF SYMBOLIC LOGIC, beginning with the March 2000 issues.

Individual membership in the Association is open to anyone interested in its work. Annual dues for members are US\$88 (US\$44 for students). Dues include subscriptions to the current volumes of the JOURNAL, the BULLETIN, and the REVIEW. Institutional membership in the Association is available to any academic institution or department. Annual basic institutional membership dues are US\$625 and full institutional membership dues are US\$1075 for 2013. Membership privileges include choices of current subscriptions, back volumes, and student memberships. A detailed description of institutional and corporate memberships is available from the Secretary-Treasurer.

Requests for information, applications for membership, orders for back volumes, business correspondence, and notices and announcements for publication in the BULLETIN should be sent to the Secretary-Treasurer of the Association, *Charles Steinhorn*, ASL, Box 742, Vassar College, 124 Raymond Avenue, Poughkeepsie, NY 12604, USA. The electronic mail address of the Association's business office is asl@vassar.edu. The ASL Website is located at <http://www.aslonline.org>. Links from that site provide further information on the JOURNAL and on submitting papers for publication.

Notices of change of address, dues payments, and subscription orders to the JOURNAL and BULLETIN should be sent to: *Association for Symbolic Logic, c/o American Mathematical Society, 201 Charles Street, Providence, RI 02904-2294, USA*. All orders must be accompanied by payment in US dollars; Visa, MasterCard, Discover and American Express charges are accepted.
