

Edward Wilson Notelets

The Picture Library at the Scott Polar Research Institute has produced three sets of notelets illustrated with watercolours painted by Edward Wilson during Robert Falcon Scott's *Discovery* and *Terra Nova* expeditions. Measuring 14 x 10 cm, each full-colour notelet is blank on the inside, with the back featuring a photograph of Dr Wilson working up a sketch, taken by Herbert Ponting in May 1911.

Sets 1 and 2 come in packs of eight notelets (four of two designs) at £4.95 per set. Set 3 comes in a pack of four at £2.50. These notelets can now be ordered through the SPRI Museum Shop. Full details are available on the Institute's website: <http://www.spri.cam.ac.uk/photo/notelet.htm>

From Set 1 (right): 'Sea leopard chasing emperor penguins.'

From Set 2 (below): 'Sledge hauling on ski on the Great Ice Barrier.'
