## THE MARTYROLOGY OF THE SACRED ORDER OF FRIARS PREACHERS

Translated by W. R. BONNIWELL, O.P.

The version proper to the Sacred Order of Friars Preachers has been traced back to the fifth century. A considerable number of revisions and corrections have, of course, been incorporated into the text since its adoption by the Dominicans in the Middle Ages. However, the Order has not issued a new Martyrology since 1925, and since then many additions and changes have been officially authorised. All of these have been made a part of the present new translation, which also features a list of movable feasts, the anniversaries of the Dominican Order, and an index of special feasts.

## THE GLORY OF CHRIST

**A Pageant of Two Hundred Missionary Lives  
from Apostolic Times to the Present Age.**

By M. L. KENT, M.M., and Sister M. JUST, O.P.

Though the sketches are as representative as possible of a great many nations and religious institutions, they all assemble into a unity in which is seen the gradual unfolding of God's plan for the salvation of all countries.
