

Economics

Books and Journals from
Cambridge University Press

Cambridge's economics list is renowned for the breadth and quality of its publishing.

Our book list is home to the work of some of the most important economists in the history of the discipline, most notably John Maynard Keynes, as well as the work of almost 30 Sveriges Riksbank Nobel Prize laureates, including Kenneth Arrow, Herbert Simon, Robert Solow and Joseph Stiglitz.

This is complemented by a cluster of key journals such as *Econometric Theory*, *Journal of Economic History* and *Journal of Financial and Quantitative Analysis*.

Philosophy

Books and Journals from
Cambridge University Press

Cambridge is widely regarded as one of the world's premier publishers of philosophical research, having one of the most recognisable and distinguished books lists as well as a growing collection of leading journals.

Our list brings a range of high-quality books by distinguished authors to readers at both student and specialist level.

All periods and sub-areas of philosophy are covered, and the list is particularly strong in history of philosophy.
