Leiden Journal of International Law

Published for The Foundation of the Leiden Journal of International Law

Editors-in-Chief

Larissa van den Herik, *Leiden University, The Netherlands*

Jean D'Aspremont, *University of Amsterdam, The Netherlands*

Firmly established as one of Europe's leading journals in the field, the *Leiden Journal of International Law (LJIL)* provides a forum for two vital areas, namely international legal theory and international dispute settlement. It is unique in providing the most comprehensive coverage of the world's most important international tribunals in The Hague (such as the ICJ, ICTY, ICC and others) and elsewhere, as well as examining new trends in international legal thinking. *LJIL* is essential reading for academics and practitioners who need to stay abreast of recent developments in these areas.

Information for prospective contributors

The Editors invite online submissions of manuscripts for publication in *Transnational Environmental Law* via TEL's ScholarOne online submissions and review platform:

http://mc.manuscriptcentral.com/TEL_submissions

Before submitting their work online, authors are strongly urged to refer to the instructions for manuscript preparation (including house style, referencing format, and additional guidance). For detailed submission instructions, see:

<http://www.journals.cambridge.org/TEL/ifc>

All other inquiries and correspondence related to *TEL* should be addressed to TEL@cambridge.org or to one or both of the *TEL* Editors-in-Chief, at the addresses listed on this inside cover.

All contributions in the journal are double-blind peer-reviewed. All manuscripts must entail original, previously unpublished work, and should not be under consideration for publication elsewhere. The Editors will also consider revised versions of previously released working papers, provided that such publication is clearly acknowledged upon submission of the paper for consideration to *TEL*.

TEL strives to respect an expedient turn-around time of 6 – 8 weeks between receipt of the manuscript and first notification of acceptance, rejection or need for revision.

The length of manuscripts should normally range between 8,000 and 11,000 words (including footnotes) for full-length articles; 3,000 – 6,000 words for commentaries and case notes; and 800 – 1,500 words for book reviews. Exceptionally, shorter or longer works may be considered at the Editors' discretion.

For further information, visit <http://www.journals.cambridge.org/TEL>

Books for review (and proposals for reviews) should be sent to **Thijs Etty**, at the address above.
