Conference
on Healthcare
Associated
Infections

Co-Hosted by

Global Solutions to Antibiotic
Resistance in Healthcare

Clinically proven

to address bacteria
on the skin

Not all CHG cloths are created equal.

Our unique formulation is pH balanced and contains skin nourishing ingredients that hydrate and protect skin. Our cloths don't contain alcohol or BZK, which are known skin irritants. And our 2% CHG cloths have been proven effective in **22 clinical outcomes**.

Available **now**
