AMERICA

reflected in a fun-house mirror.

From colonial woodsman to Woody Allen, American humorists have reflected the past experience, present concerns, and future visions of the American people. Now, two of the country's leading authorities on comic literature trace the evolution of this distinctive red-white-and-(occasionally)-blue tradition in humor in a study that is "graceful, provocative, and—rare for a 'serious' book about humor—entertaining as well!"
