TEL

TRANSNATIONAL ENVIRONMENTAL LAW

Transnational Environmental Law (TEL) is a peer-reviewed journal that will be launched by Cambridge University Press in 2012. TEL is dedicated to the study of environmental law and governance beyond the state. It approaches legal and regulatory developments with an interest in the contribution of non-state actors and an awareness of the multi-level governance context in which contemporary environmental law unfolds.

TEL warmly invites new work on topics within the scope of the journal from scholars, lawyers and professionals active in fields related to environmental law and governance.

International Theory

SUBMISSION OF ARTICLES

International Theory invites authors to submit original theoretically oriented articles on the positive, legal, and/or normative aspects of world politics. Because *IT* is multidisciplinary with a broad intended audience, contributions must be as accessible as possible to readers from a wide range of disciplines and theoretical traditions. Papers that are primarily empirical or policy oriented are not a good fit.

We will not review manuscripts that have already been published, are scheduled for publication elsewhere, or have been simultaneously submitted to another journal; this applies to both print and online formats. All articles will be peer-reviewed by anonymous referees drawn for our Editorial Board and, on their advice, from relevant scholars around the world. Referees for the previous calendar year will be acknowledged in the final issue of each volume.

IT will review articles up to 15,000 words (including notes and bibliography), although authors will be encouraged to edit their papers to fewer than 12,000 words before publication. Brevity is encouraged and shorter papers will be advantaged in acceptance decisions. Please include a word count with submission, along with an abstract of no more than 150 words, which is not repeated from the paper itself.

References and citations should follow The Chicago Manual of Style. Citations in the text or footnotes should be limited to author's family name and date, with complete bibliographic information appearing in a list of references at the end of the article. The one exception is for legal articles; while strongly encouraged to follow the author-date system, if that proves unworkable legal authors may substitute the *European Journal of International Law* guidelines (available at <http://www.ejil.org/info/style-toc.html>). All tables and figures must be cited in a paper. Figures ideally to be submitted as separate TIFF or EPS files. Full details can be found on our website at journals.cambridge.org

Titles of journals should not be abbreviated in the list of references (author-date system) or in the footnotes (legal articles). Table, figures and their accompanying legends should be placed at the end of the article with their desired location indicated in the text. Authors should submit their manuscript in electronic form as a MS Word file in an email attachment to it.mershon@osu.edu. (Please do not submit the manuscript in PDF format). Authors should attach both a complete version of the manuscript as well as an anonymous version stripped of all identifying references to the author(s) that can be sent to reviewers.

To submit a manuscript, please visit www.editorialmanager.com/it, where you will find detailed information about the on-line submission procedure and required manuscript formatting.

Any questions about these procedures may be directed to the Editors.
