

# The use of Passeriformes in the eastern Amazonia of Brazil: culture encourages hunting and profit encourages trade—CORRIGENDUM

SAMANTHA SILVA, BRENDA BRAGA, LEANDRO BRASIL  
PEDRO BAÍA-JÚNIOR and DIVA GUIMARÃES

DOI: [doi.org/10.1017/S0030605320000551](https://doi.org/10.1017/S0030605320000551). Published online by Cambridge University Press, 17 December 2021.

In the original publication of this article, the scientific name of the bird pictured in Plate 1c was incorrect. The correct species name is *Saltator coerulescens*, not *Saltator maximus*.
